5TH ANNIVERSARY POLL

Table 24

Q11 I would now like you to think about the issue of democracy, the extent to which ordinary people have a say in the running of the country and how this may develop in the future. For each of the following statements about democracy please say if you agree or disagree with it. Is that strongly or tend to agree / disagree? - Iraq will eventually be a fully democratic country.

5TH ANNIVERSARY POLL

Table 26

Q11 I would now like you to think about the issue of democracy, the extent to which ordinary people have a say in the running of the country and how this may develop in the future. For each of the following statements about democracy please say if you agree or disagree with it. Is that strongly or tend to agree / disagree? - The introduction of a parliament, democratic elections etc. has made Iraq a better country.

5TH ANNIVERSARY POLL

Table 27 (continuation)

Q11 I would now like you to think about the issue of democracy, the extent to which ordinary people have a say in the running of the country and how this may develop in the future. For each of the following statements about democracy please say if you agree or disagree with it. Is that strongly or tend to agree / disagree? - The conflict of the last five years will be justified if Iraq becomes a fully democratic country.
