BACK LOCAL CHARITY AT NEWMARKET RACE DAY Newmarket hosts charity race day for the Animal Health Trust

On Saturday 25 June the July Racecourse in Newmarket plays host to an exciting fundraising Gala Race Day for the Animal Health Trust (AHT).

The AHT, an animal charity based in Kentford, near Newmarket, fights disease and injury in horses, dogs and cats. Its work behind the scenes ensures animals have a fighting chance of beating diseases such as cancer, epilepsy, Strangles and equine flu.

The event, which features the Group 3 Criterion Stakes, will raise vital funds for the animal charity. To make it even easier for you to support the day, the charity has arranged a massive discount on Premier Enclosure tickets.

By booking in advance you can get tickets for just £16 per person, a saving of £6! To book tickets at this special price you need to call 0844 579 3010 or book online at www.newmarketracecourses.co.uk and quote ref: AHT11

For every ticket purchased with this code a donation of £2.50 will be made to the AHT.

As well as watching the racing, you'll also be able to take part in the AHT's silent auction with the chance to walk away with exotic holidays, designer handbags and sports memorabilia.

Peter Webbon, AHT Chief Executive, said: "This is a fantastic way for people to support a local charity and the work the AHT does for the racing industry. As well as raising us vital funds, it's sure to be a great day out for everyone."
