lighter  
centre

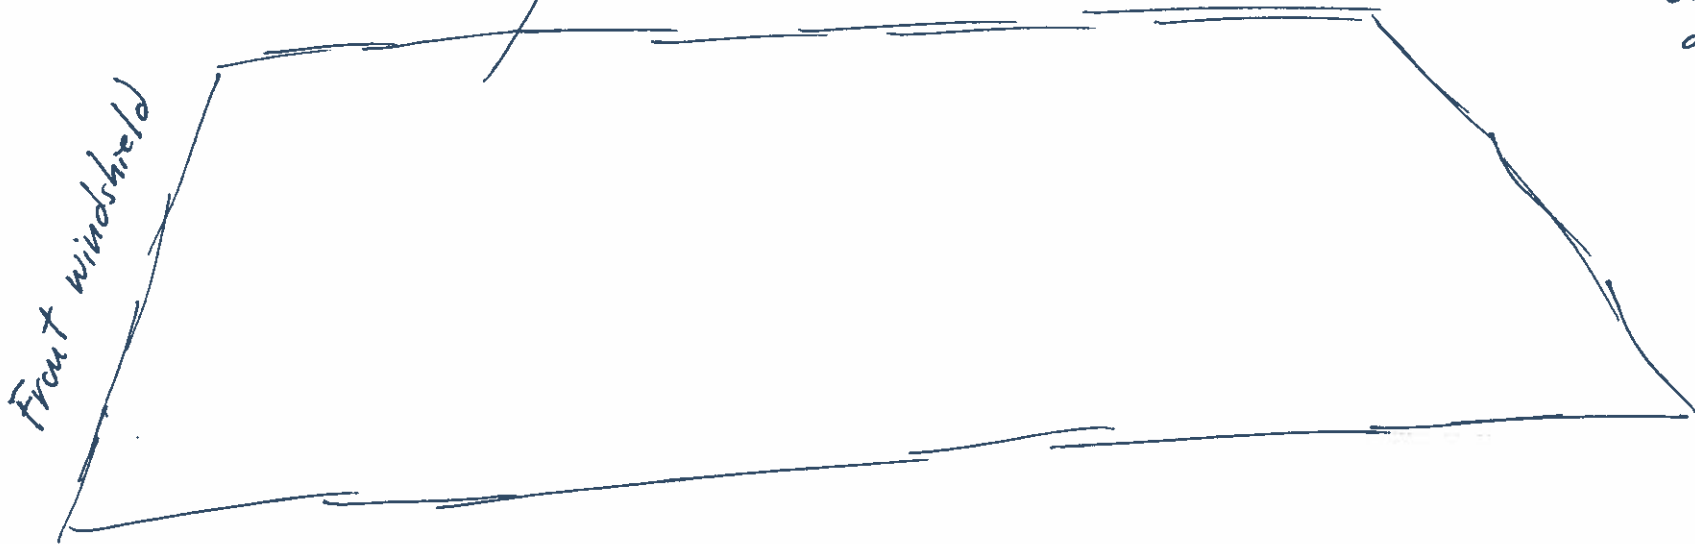

Timeline:

• Initial site

• Moving at a velocity / accelerating faster than  
any physical object I have ever seen

Moved in  
a degree  
of 20° upward  
in 3-4 sec  
across the  
skyline &  
disappeared  
suddenly

↑ Looked up @ 45° from the  
horizontal plane..

- Date: 4/1/15 ≈ 9:45 pm

• I was traveling on HWY 64 E about 20 miles outside of Louisville KY, going toward Louisville about 5 miles before exit 115. I looked up as I was driving & saw this greenish-luminescent triangular/diamond-shaped UFO darting
