

# Political Prisoner Birthdays in November

Send a birthday card to these political prisoners. It's an easy way to help remind these freedom fighters they aren't forgotten. If you make one, remember: don't use anything like white-out, stickers, tape or glitter on it. We also recommend that you put your name and address and their name and prisoner number on the card, lest the authorities 'lose' the envelope and forget where it is going. If you would like to add a birthday or sign up for our poster mailing list, email us at [ppbirthday@riseup.net](mailto:ppbirthday@riseup.net). Brought to you with love by the Prison Books Collective. The Nebraska 2 were charged and convicted of the murder of Omaha Police Officer Larry Minard. Minard died when a suitcase containing dynamite exploded in a North Omaha home in 1970. Poindexter and Rice were framed for their participation in the Black Panther Party. The Omaha Police withheld evidence at trial. The two had been targeted by CoIntelPro which operated against and infiltrated activist groups, including the Omaha Black Panthers. The state's parole board have recommended the men for release, but they continue to be caged.
