Sector specific zone updates

Dedicated themed zones will make it easier for visitors to meet exhibitors and

discover solutions that are most relevant to them.

There are individual zones for **Air**; **Land**; **Medical Innovation**; **Naval**, including **visiting ships and waterborne demonstrations** in the dock adjacent to the exhibition halls; **Security & Special Forces**; and **Unmanned**.

The exhibits on stands are complemented by static display areas and a strong demonstration programme: Apache, Merlin, Puma 2, Sea King and Wildcat helicopters; Eurofighter Typhoon multi-role combat aircraft; and ScanEagle and Watchkeeper UAVs are all part of the **Air** static displays.

In the **Land Static Display** area, the new '**Future Soldier Systems Showcase**' will display land focused capabilities, and will be a forum to discuss new technologies, trends in combat clothing, tactical requirements for national soldier systems and other key issues.

The Royal Victoria Dock will host **eight visiting ships** including: a Royal Navy Type 23 Frigate, Royal Navy River Class Offshore Patrol Vessel, Royal Navy Hunt Class MCMV, German Navy K 130 Corvette FGD Ludwigshafen, Belgian Navy – 52 metre Coastal Patrol Vessel BNS Castor, a Canadian Navy Frigate, an Indian Navy Frigate and VN Partisan – Training vessel.

As part of the **Security and Special Forces Zone**, a new Cyber Zone is being launched for 2015 to cover the rapidly evolving challenges within the cyber domain.

The 2015 **Unmanned Zone** will host the complete spectrum of unmanned system designers and manufacturers for all applications and developments across all of the military and security sectors, many of which are first time exhibitors displaying innovative solutions.

The enlarged **Medical Innovation Zone** will host a twice-daily programme of practical demonstrations on the latest advances in patient care from the point of injury or illness through the entire treatment pathway to rehabilitation. As well as a demonstration of the Sierra Leone treatment process.

Solutions from all over the world

DSEI will host **40 international pavilions**, where visitors can build partnerships with companies from established and emerging markets around the world. Countries exhibiting for the first time include Malaysia, Latvia and Lithuania. Nations returning to this year's edition include Australia, Brazil, Chile, France,

Germany, Holland, India, Israel, Italy and Switzerland.
A number of pavilions are expanding for 2015, including those of the UK, Turkey, Japan and South Korea, and the US pavilion is set to be the largest ever.
