

No Platforming of Radical Feminists - A talk by Julie Bindel

RadFem Collective 2015-06-01 17:07

Public meeting to be held on Saturday, June 6, 2015, 1:00pm 4:00pm, Sheffield (venue to be announced).

Following on from the successful event on 28 February in Nottingham, Julie Bindel will again be talking about the No Platforming of Radical Feminists, followed by more than an hour of questions and discussions.

The event is organised by RadFem Collective and Miranda Yardley and will take place Saturday 6 June 2015 between 1 and 4pm.

This is a mixed event and everyone is welcome, whatever your views.

We are trying to make this event as inclusive and productive as possible and get as many people involved in this as we can, with all viewpoints. To do this, it is incredibly important that we can have a respectful dialogue with each other and not resort to name-calling or personal attacks. Please respect this.

The venue we are using for the talk is fully wheelchair accessible. If you have any other accessibility needs, please let us know about them and we will do our very best to meet them.

The ticket price is purely to cover costs such as room and PA hire. Everyone involved are volunteers.
