

Runnymede needs You! Eviction Resistance

Rob and Jedi 2015-04-06 19:36

To one & all, an invitation and call out to activists and lovely people across the gamma for talks and discussion on thoughts feelings and strategy leading up to the court hearing on the 9th of April at the County Court at Guildford. We would like to invite anybody with experience or advice in our situation to join us in solidarity with our views for freedom, justice and equality for all. All species and subspecies alike.

We are approaching our court hearing on Thursday. We would like to open our space around the fire for discussions all week. We want to defend our homes and community in the most peaceful, artistic and creative ways possible. Free refreshments, food and accommodation available upon request but please bring provisions, sleeping bags and tents where possible.
