

Memorial and honor gift guide

At Morris Animal Foundation, everything we do, we do to ensure that the animals in our homes and in the wild have the healthiest lives possible – lives that reflect each animal’s innate dignity and right to more than survive, but to thrive. We do that by investing in science that advances the health and well-being of animals. You can join us in this endeavor through a gift to our memorial and honor giving program. Leave a legacy, remember a beloved companion, or honor a special person who shares your appreciation of the wild and not-so-wild animals that share our planet and our homes.

Memorial gifts

We know how difficult it is to say good-bye to a loved one. We offer several ways for you to memorialize the special pets and animal lovers who have touched your life.

Sympathy cards

When you make a memorial donation of \$10 or more, the foundation will mail the recipient your choice of a sympathy card, letting him or her know of your thoughtful gift in memory of their loved one. This sympathy card can be in memory of pets or people. We also offer species-specific sympathy cards that allow you to send a customized message on demand.

\$10

Online memorial

Our online Remembrance Gallery lets you create a tribute to your pet that can be shared with friends and family members. Make your tribute special by sharing a photo and remembrances of your beloved companion animal.

Pet memorial

Memorialize your pet, or make a gift in memory of a friend or family member’s pet, on the “In Loving Memory” pages of our quarterly publication, AnimalNews. This memorial listing includes your pet’s name, a photo (if desired) and a remembrance. If your donation is a gift, you also can choose to send a sympathy card to the pet’s family.

\$200

Pet memorial wall

Add your pet’s name to our Pet Memorial Wall, located at our Denver headquarters. In addition, you’ll receive a commemorative medallion engraved with your pet’s name. Your companion also will be included in the “In Loving Memory” pages of AnimalNews. This is a wonderful way to honor a friend or family member’s pet, too.

Honor gifts

You can honor a friend's birthday, an animal-loving couple on their anniversary, your veterinarian or even your pet-sitter by making a gift in his or her name to Morris Animal Foundation. After you've made your gift, we'll notify the honoree that you've made a donation that will help advance the health and well-being of all animals.

Honor cards

Honor cards are a thoughtful way to pay tribute to someone who has touched your life or to celebrate a special occasion. Once you have made your gift, Morris Animal Foundation will mail the recipient a personalized card announcing the gift made in their honor.

E-cards

With our environmentally friendly e-cards, you can say happy birthday, congratulations, thank you, welcome a new pet to someone's family, or even have your pet send a card! Your card will definitely brighten someone's day and help animals live longer, healthier lives.

Veterinary Award of Excellence

Receiving an award of excellence from an appreciative client is one of the highest honors a veterinarian can receive. This award recognizes all that your veterinarian does to take care of your companion animals (and you!). After you make your gift, Morris Animal Foundation will send a beautiful, customized plaque to your veterinarian for display in his or her clinic.

Your memorial or honor gift will help us advance the health and well-being of animals around the world.
