

SECONDARY STUDENTS for DEMOCRATIC ACTION

We are a group of Secondary School students. We believe

- in freedom from want, fear, oppression and violence
- in the right and of the necessity for each individual to actively participate in all decisions concerning him
- that each member of our society should feel responsible for his fellow citizens - not only as members of a particular community, but as citizens of the world
- that society should be based on HUMAN RELATIONS not on human institutions

WE DO NOT BELIEVE THAT OUR PRESENT SOCIETY CONTAINS ALL THE NECESSARY ELEMENTS FOR A DEMOCRATIC EXISTANCE.

WE DO NOT ACCEPT THE STATUS QUO.

With the above in mind S.S.D.A. :

- has no power elite; all policy shall be decided at general meetings by a majority
- has membership open to all secondary students
- has NO AFFILIATION with any other organization
