## ELECTRONIC PRIVACY INFORMATION CENTER 2015

PRIVACY IS A  
FUNDAMENTAL  
RIGHT

“No one shall be subjected to arbitrary interference with his privacy, family, home or correspondence, nor to attacks upon his honour and reputation. Everyone has the right to the protection of the law against such interference or attacks.”

**THE ELECTRONIC PRIVACY INFORMATION CENTER** is a public interest research center in Washington, D.C.

EPIC was established in 1994 to focus public attention on emerging human rights issues and to protect privacy, freedom of expression, and democratic values in the information age. EPIC pursues a wide range of activities, including policy research, public education, conferences, litigation, publications, and advocacy. EPIC maintains two of the most popular privacy sites in the world — EPIC.ORG and PRIVACY.ORG.

EPIC receives support from individual contributors, private foundations, the sale of publications, and legal awards. Contributions to EPIC are tax-deductible.
