***CELEBRATING ONE HUNDRED YEARS OF
CATHOLIC CHARITIES IN THE
ARCHDIOCESE OF ST. LOUIS***

Since 1912, **Catholic Charities** has been at the heart of providing the most basic human needs to the less fortunate in this community and beyond. In these especially difficult economic times, the services provided by Catholic Charities are more critical to the lives of the people we serve than at any point in recent history. For many, Catholic Charities is the answer to their prayers. Catholic Charities and those who support its work are the embodiment of Christ to the needy.

**Youth Day Celebration

MAKE THE MOST OF YOUR DOLLAR

Whether grocery shopping, dining in a restaurant, buying birthday or anniversary gifts, or filling your tank with gas, you can make your dollar go farther. When you spend your money, you donate to St. Elizabeth at the same time. Merchants that want your business offer gift cards or certificates which we call Scrip. You can purchase these cards at St. E's and use them as any gift card or cash and the merchant gives back to the parish a percentage of your purchase. No extra cost you. That percentage can run as high as 8 to 13 percent per purchase. Just think if you go to Quizno's, Pizza Hut, Texas Roadhouse, Chili's and/or Macaroni Grill and use Scrip for every \$10 you spend 80 cents to \$1.10 will be donated to St. Elizabeth. It is well worth your effort to take a few extra minutes after Mass and stop by the table in the vestibule to see the wide variety of Scrip that we offer. We keep on hand the gift cards and certificates that are most often purchased. We can order additional merchant gift cards for you and can have them available for you by the next weekend.

Plan ahead: Birthday or Anniversary Shopping? Home Repair, Remodeling and/or Decorating? Going out to dinner or taking in a movie?

ADULT FAITH FORMATION

More About the 2nd Reading this Sunday - James 2:14-18

The Epistle of Saint James is one of the books which Martin Luther wanted to eliminate from his Bible. However, his followers persuaded him not to. It has been postulated that the reason Luther wanted to eliminate James is that it clearly does not support Luther's doctrine of salvation by faith alone. Verse 14: *What good is it, my brothers, if someone says he has faith but does not have works?*

This is a rhetorical question which implies the answer "nothing". A faith without deeds cannot obtain salvation (see Matthew 7:21).

Obedient implementation of God's revealed will in every aspect of our life results in works.

Verses 15-16: *If a brother or sister has nothing to wear and has no food for the day, and one of you says to them, "Go in peace, keep warm, and eat well," but you do not give them the necessities of the body, what good is it?* This would be the contrary of "faith working through love" (Galatians 5:6).

Saint James does not place faith and works in opposition, but instead contrasts a living faith and a dead one. "Works righteousness" (the heresy of Pelagianism) was condemned by the Church at the Council of Ephesus in A.D. 431. One cannot "earn" or "work" his or her way into heaven. The gift of eternal life with the Father is freely given to all who will avail themselves of it. However, we must live the life of Christ if we expect to enter heaven. The corporal works of mercy are done, not because we are obliged to do them, but because we love Jesus so much that we want to do them.

REFLECTION: Am I doing good works out of a love for Jesus, or out of a sense of human obligation or even guilt? If necessary, how can I reorient myself to act from love instead of guilt? Do I need the Confessional this week to free me from the bondage of "dead" works?
