CAAB 2015-06-24 21:53

Join CAAB every Tuesday at NSA/NRO Menwith Hill. 18.00-20.00 BST/GMT

Demos/vigils organised by the Campaign for the Accountability of American Bases.

Menwith Hill is the largest US spy base outside the USA. Run by the National Security Agency (National Reconnaissance Office also present), it is situated in the Yorkshire dales, approximately 8 miles from Harrogate adjacent to the A59.

Menwith Hill is the largest intelligence-gathering, interception and surveillance facility outside the USA. The base is unaccountable, secretive, and out of control of the UK government.

Menwith Hill is crucially connected to the US Missile "Defense" System - an offensive system supporting US domination of space.

CAAB has organised a demonstration at Menwith Hill every week for over 14 years to oppose the activities of the base, calling for its closure, through witness and non-violence.
