Dear Ruben

Thank you for sending me your statement on the Kennedy Road attacks. It speaks with great power, and I congratulate you on it. I also want to assure you, the Kwa Zulu-Natal Council of Churches, Abahlali baseMjondolo, and the people of Kennedy Road of my full support as you pursue the course of justice with such courage. I am therefore issuing a statement, drawing attention to what you have said, so that we may gain wider coverage of these terrible events, and encourage more voices to speak out and bring pressure to bear on the political leaders and on the police to do what is right.

Meanwhile I assure you and all who are working to bring an end to this injustice and suffering, along with all those bereaved, injured, or displaced, of my continuing love and prayers.

Yours in the service of Christ,

Cc: Professor Tinyiko Maluleke
