The 12-Point Platform

(Basic version 1.0)

The 12-Point Platform is a simple list of common-sense programs that will benefit every American, no matter their class, gender, race, or age. The 12 Reforms are the programs needed to secure the benefits of the Platform. The Single Value ties the Platform and the Reforms together: Government is to be used for "public purpose," and not for privilege (which means "private law").

The 12-Point Platform
