Mr Geert Wilders
For delivery via British Embassy in The Hague

Our Ref: W1121255/EO8

10 February 2009

Dear Mr Wilders

The purpose of this letter is to inform you that the Secretary of State is of the view that your presence in the UK would pose a genuine, present and sufficiently serious threat to one of the fundamental interests of society. The Secretary of State is satisfied that your statements about Muslims and their beliefs, as expressed in your film *Fitna* and elsewhere, would threaten community harmony and therefore public security in the UK.

You are advised that should you travel to the UK and seek admission an Immigration Officer will take into account the Secretary of State's view. If, in accordance with regulation 21 of the Immigration (European Economic Area) Regulations 2006, the Immigration Officer is satisfied that your exclusion is justified on grounds of public policy and/or public security, you will be refused admission to the UK under regulation 19. You would have a right of appeal against any refusal of admission, exercisable from outside the UK.

Yours sincerely

IRVING JONES

On behalf of the Secretary of State for the Home Department
