On page 13 in Annex I after the first paragraph the following text is added:

"EUAM Ukraine –mandate until November 2017

The EUAM Ukraine mission was launched on 1 December 2014 to help Ukraine with the security sector reform in the area of police and rule of law. The mandate of the Mission was extended until 30 November 2017.

Conclusion: EUAM Ukraine is a relatively new mission and extension of its operations and staffing is under discussion, hence a significant increase of the financial resources is likely to be needed."
