and Seeks Your Support**

Blacks In Government's (BIG) National Board of Directors and National Executive Committee are leading the way in providing monetary donations to burn our mortgage by August 2013 National Training Institute. *During the Jan-March 2013 timeframe, the National Board of Directors and National Executive Committee donated \$2400 toward burning the mortgage.* We are asking all BIG members and friends to join in this effort and donate \$50.00 toward our building fund during the months of April through August 2013. However, any monetary donation amount would be appreciated.

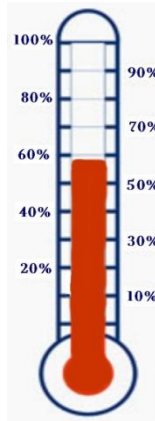

Please submit your tax-deductible donations on-line by going to:
