

DEAR SIR MADAM,

WITH REGARD TO CHINA MARKET ACCESS FOR CITRUS AND TABLE GRAPES IT HAS BEEN A DEEPLY FRUSTRATING LAST 2-3 YEARS WITH NO END TO THE PROBLEM IN SIGHT DESPITE THE SAME RHETORIC WE HEAR EVERY YEAR ABOUT IMMINENT ACCESS. IT WOULD BE BETTER IF NOTHING WAS SAID AT ALL RATHER THAN SELLING FALSE HOPE. I DON'T KNOW WHAT TO SAY OTHER THAN OUR PRODUCERS ARE ON THEIR KNEES AND MARKETERS NEED GREATER ACCESS TO PENETRATE HIGH VALUE MARKETS TO SUSTAIN HIGH VALUE HORTICULTURE. BASED IN MILDURA OUR BUSINESS IS AT THE COAL FACE OF THE EXPORT PROBLEM AND THE PRODUCER PROBLEM WHICH THREATEN THE FABRIC OF OUR COMMUNITIES.
