2015 ISGD Islamic Calendars

Beneficent, the Most Merciful

And Allah's are the best names, therefore call on Him thereby, and leave alone those who violate the sanctity of His names; they shall be recompensed for what they did (180)

Hadith

"Narrated Abu- Huraira : The Messenger Of Allah peace be upon him said : He that relieved his brother from a worldly distress Allah will relieve him from distress in The Hereafter ,he that veiled a defect Of a Muslim Allah will veil him in life and in the Hereafter, and he that eased (the state of) an insolvent (brother) Allah would ease (his state) in life and in the Hereafter ,Allah will support him that supports his brother . He that took a way searching for knowledge Allah will facilitate a way to Paradise for him . There is no group of people who sit in a Mosque reciting Allah's Book and studying it among themselves except that tranquility will descend on them, mercy will overshadow them, and the Engels will encircle them, and he whose deed caused him to lag behind his affinity will not bring him forward "
