

## Financial Edge NXT Minimum System Requirements

This document lists the minimum system infrastructure required to run your Blackbaud system. In order to work with **Financial Edge NXT**, your data must be hosted by Blackbaud. Please note that system requirements are subject to change, so make sure you have the latest information before making any purchases.

**Note:** If you are running any other Blackbaud products, including but not limited to **Raiser's Edge NXT** or **Education Edge**, please refer to the Minimum System Requirements for those products separately.

### Financial Edge NXT: Web View

This section lists the minimum system requirements necessary to access the web view of **Financial Edge NXT**.

workstation minimum requirements	
Browser	<p>The web application should be accessed through any of the following supported browsers:</p> <ul style="list-style-type: none"> <li>• Google Chrome (latest version)</li> <li>• Firefox (latest version)</li> <li>• Safari 9.0</li> <li>• Internet Explorer 11</li> <li>• Microsoft Edge</li> </ul> <p>The browser must accept cookies and have javascript enabled in order to display <b>Financial Edge NXT</b> properly.</p>

### Integration Information

While you cannot access the following programs from **Financial Edge NXT**, they can still be accessed through the Database view hosted on *Citrix*.

### Accounting Forms/Blackbaud Forms

*Blackbaud Forms* provides computer forms (such as checks, statements, and purchase orders) and envelopes specifically designed for use with **Financial Edge**. Blackbaud forms are guaranteed to align correctly and can be customized to your organization's specifications, using your logo, special inks, and print styles. Pre-printed forms from other suppliers are not guaranteed to align properly and are not supported by Blackbaud.

For more information, visit [Blackbaud Forms](#).
