Minimum System Requirements

This document lists the required system infrastructure to run your Blackbaud system. Blackbaud recommends the purchase of top-of-the-line equipment when possible and that organizations budget for continual upgrades to their system. Please note that minimum system requirements are subject to change, so make sure you have the latest information before making any purchases.

In addition to the following minimum requirements, Blackbaud strongly recommends the purchase and scheduled use of a tape or archival backup solution.

Fundware 7.70 Terminal Server - Enterprise

Windows Server minimum requirements	
Supported Operating Systems	♦ Windows Server 2008 Standard (32 bit or 64 bit); SP2 is supported. ♦ Windows Server 2008 R2 Standard (32 bit or 64 bit); SP1 is supported. ♦ Blackbaud does support FundWare on a Virtual Server **Note: Blackbaud does NOT support Client / Server Environments** **Note: Blackbaud does NOT support the non-Windows Operating Systems** **Note: Blackbaud does NOT support FundWare installed on Domain Controllers**
Processor (CPU)	• Minimum: 1GHz (x86 processor) or 1.4GHz (x64 processor) • Recommended: 2GHz or faster • Recommended: 2 or more cores/processors
Memory (RAM)	Minimum: 1GB RAM Recommended: 2GB RAM or greater
Disk Space	1 GB minimum for program and system files and an additional 500 MB free disk space for processing activities **Note: A high performance disk subsystem, such as SCSI-2 and RAID technology, is recommended**

SQL Server minimum requirements	
SQL Server 2008 Standard	SQL SERVER 2008 Standard (32 bit or 64 bit). Blackbaud does NOT support multiple instances of SQL Server. **Note: SQL must be installed on the same server as Fundware** **Note: Blackbaud does NOT support SQL 2008 Express with Fundware 7.70 Enterprise**
SQL Server 2008 R2 Standard	SQL SERVER 2008 R2 Standard Blackbaud does NOT support multiple instances of SQL Server Blackbaud does NOT support SQL Server 2005 **Note: SQL must be installed on the same server as Fundware** **Note: Blackbaud does NOT support SQL 2008 Express or SQL 2008 R2 Express with Fundware 7.70 Enterprise.**
