

## IMAGINING THE FUTURE: UTOPIA AND DYSTOPIA

A. Milner, M. Ryan and R. Savage,

RRP in Australia: \$27.50 Overseas: AUD\$25 + postage

*Imagining the Future* bridges theory, politics and literature, featuring key articles by and on eminent writers in Utopian Studies, Science Fiction Studies and Social Theory. Inspired by Frederic Jameson's *Archaeologies of the Future*, it is a diverse response to his proposition that 'Utopia ... now better expresses our relationship to a genuinely political future than any current program of action'. With a chapter by Frederic Jameson.

## DEMANDING THE IMPOSSIBLE: UTOPIA AND DYSTOPIA

A. Milner, M. Ryan and S. Sellars,

RRP in Australia: \$14.85 Overseas: AUD\$13.50 + postage

*Demanding the Impossible* has a distinctly Australian focus in contributions on nineteenth and twentieth century Australian utopianism, as well as chapters on environmental crisis and ethics, Christian socialism, science fiction and the work of Cormac McCarthy and China Miéville.

## CHANGING THE CLIMATE: UTOPIA, DYSTOPIA AND CATASTROPHE

A. Milner, S. Sellars and V. Burgmann

RRP in Australia: \$27.50 Overseas: AUD\$25 + postage

*Changing the Climate* explores nature and environment, power and society, narrative and image in meditations on ecology, ecocriticism, science and speculative fiction, film and contemporary art. With a chapter by Kim Stanley Robinson.
