Real-Time Alerts

Visit Law360.com to find out what hundreds of thousands of readers at top law firms, Fortune 1000 companies, and key government agencies already know.

Law360 starts with a dedicated editorial staff of 140+ news assistants, reporters, and editors who publish about **215 articles every single business day**, including breaking news, in-depth analysis, and third-party expert analysis.

Breaking News

Law360 is consistently named as a legal industry standard for concise, journalistic news articles

that provide

the information

our readers need

as quickly as possible, including case documents.

We average about **200 breaking news articles each day** across dozens of news sections. Coverage

includes litigation, legislation and regulation, corporate transactions, judicial

appointments, law firm partner moves, legal

industry news and trends, and more.

Over the past 10 years, we've constantly honed our advanced newsgathering technology and put reporters on the ground in nearly two dozen cities across the U.S., so that **when news breaks, you'll know about it.**

EXTRA! EXTRA!

Law360 began in 2003 with only one editorial staffer: founder Marius Meland.

FAST FACTS

In 2015, **21 percent** of our breaking news **wasn't covered at all by competitors**, and another **35 percent** we published **faster or as quickly**. In addition, **83 percent** of our news was published **within 36 hours of the event.**

We publish **275 news analysis and feature articles per month** on average.

Sections

Law360 offers **dozens of practice area, industry, and state sections** — plus our ever-popular **Business of Law** content.

Our first section was **Intellectual Property**, and other mainstays include **Bankruptcy, Class Action, Competition, Employment, Insurance, Product Liability, and Securities.**

Sections launched in 2015 and 2016:

- **Immigration**
- **Native American**
- **Telecommunications**
- **Sports**
- **Transportation**
- **International Arbitration**
- **Trials**

For more on each section, visit www.law360.com/about/.

Business of Law

All Law360 subscribers get access to our Business of Law content, which provides news and analysis on important events related to law firms, corporate counsel, courts and judges, and other segments of the legal industry.

WHAT'S UP?

With an average of **7 Business of Law articles a day**, Law360 makes sure you know what's happening in the business of law.

Topics include pay issues, hiring and layoffs across the industry, billing practices, practice tips, and more.

Rankings & Series

Each December, we reveal our **Practice Groups of the Year**, honoring top firms across the legal spectrum.

The **Law360 400**, our list of the 400 largest U.S. firms by attorney size, comes out each spring and spotlights the biggest players in the legal market.

Meanwhile, our **Glass Ceiling Report** highlights efforts to bridge the gender gap in firm leadership, and individual attorneys vie for top honors in our annual **MVP** and **Rising Star** profiles.

Other popular series include: **Global 20**, **Powerhouses**, **Practice Group Partner Rankings**, **Pro Bono Firms of the Year**, and **Trial Aces**.

Expert Analysis

One of the most popular aspects of our news content is Expert Analysis. These articles **provide commentary from leading practitioners, in-house counsel, academics, and legal consultants** across a range of legal issues — and **give attorneys a way to showcase their expertise to peers and potential clients**.

For more information on submitting expert analysis for publication with Law360, email us at expertanalysis@law360.com.

EXPERTS ENGAGE

Lawyers from virtually all of the top 200 law firms in the U.S. participate, with some firms contributing as many as 20 articles per year.

But that's not all ...

Other Law360 content includes Q&As with top legal practitioners and industry leaders, coverage of key personnel moves and appointments, exclusive interviews with judges and policymakers, and more.

Advanced technology lies at the heart of Law360, and our website and newsletters are designed to ensure that **you get the information you need quickly and easily** — on desktop, tablet, or smartphone.

Website

The Law360 website is built so that no matter what type of device you're using, **you're able to navigate easily and find the content that is crucial to you.**

Visit our home page to browse the most significant, most recent, and most popular articles each day.

From there, you can easily access all of our news sections, search for topics of interest using the toolbar, or find our most popular sections and special features via the site menu.

Section pages provide the latest stories for each coverage area, and **highlight expert analysis from leading practitioners.**

You can also sign up for newsletters and access RSS feeds from the section page.

In addition to breaking news and analysis, our article pages also provide access to available **case information, source documents, and related articles.**

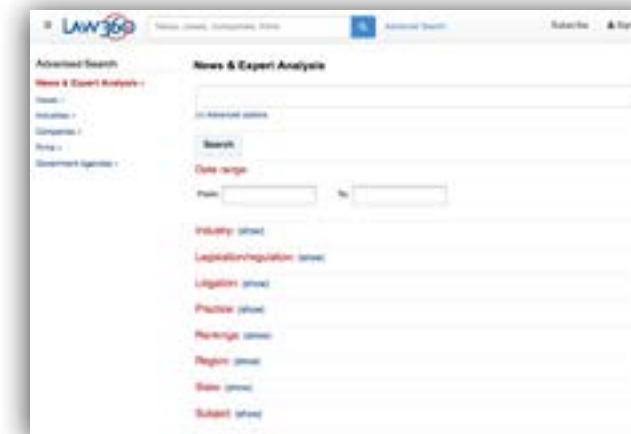

In the right sidebar, you'll find related documents such as complaints, proposed rules, and bills, which you can download instantly.

Below that, you'll find full case information for most cases in federal district court, including court, judge, and law firms and companies involved.

Advanced Search

Our robust search technology enables you to **search all of Law360's news and analysis in one place** using the universal toolbar at the top of the site.

You can also use our **Advanced Search tool** to find what you're looking for. Whether the search is narrow (say, biopharmaceutical patent suits filed in Texas in spring 2009) or broad (all litigation stories from the past year) **our search engine is adaptable to your search needs.**

For more information on how to manage your account on our website, see the **Law360 User Guide.**

Newsletters

Every Law360 news section has a dedicated daily newsletter.

Law360 newsletters are delivered to your email inbox every business morning, so that you can start your day with the latest news and analysis.

Our newsletters also highlight organizations in the news that day — law firms, companies, and government agencies — giving you insight into who's involved even before you read the story.

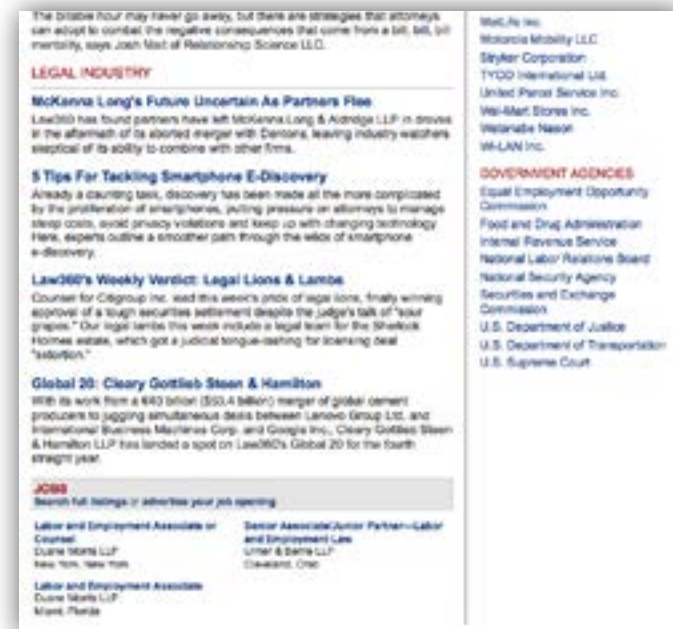

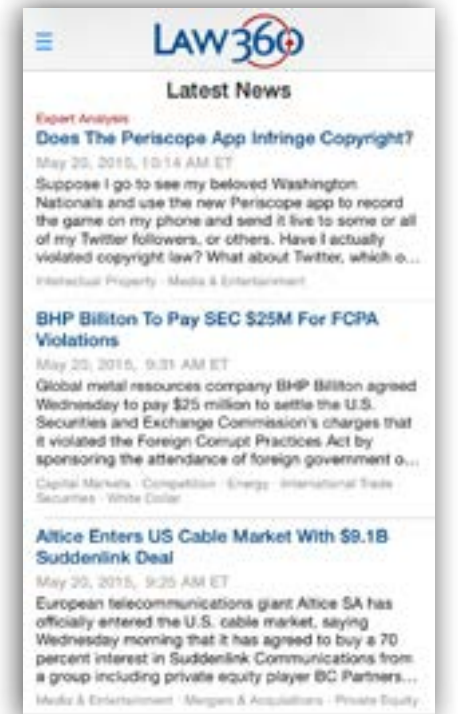

Law360 App for iPhone and iPad

The Law360 app for iPhone and iPad is available from the App Store for Enterprise and Platform subscribers.

With the app, you can easily access all Law360 news content on the go. Read the latest articles, get breaking news alerts in areas of interest, search our entire news archive, and more.

Not an Enterprise or Platform subscriber? Contact your account rep or customerservice@law360.com to find out about upgrade options.

At the bottom of every newsletter, you'll find the latest Business of Law articles, keeping you in the loop on events and issues from across the legal profession.

Make sure to check out related job listings at the bottom of the newsletter.

Visit jobs.law360.com to find or post legal jobs. You can choose up to three newsletters for your post to appear in.

DIG DEEP

RISE 'N' SHINE
Newsletters are delivered early each morning, so you can start strong.

Perhaps the most significant enhancements to Law360 in recent years, our **Platform Tools** include a **federal case database**; a **PTAB case database**; and **real-time or daily alerts** on organizations, industries, case activity, and news. We've also recently added the **Law360 Briefcase** to help you organize and share your research.

Law360 Cases

Law360 Cases offers **direct access to case information and documents** without lengthy docket detours or labyrinthine searches.

Our case database contains all significant new filings across U.S. federal district courts and is updated hourly on business days.

Law360 Cases also offers **full-text searches on all patent complaints** in federal courts, along with no-fee downloads of the complaints.

You can sign up for a daily summary of news and cases from the previous day, or set up real-time case or news alerts that will let you know within minutes when an article is published on our site or a document filed in PACER related to an organization or industry.

In addition to organization alerts, you can track specific cases and case types, as well as custom news searches, using Advanced Search.

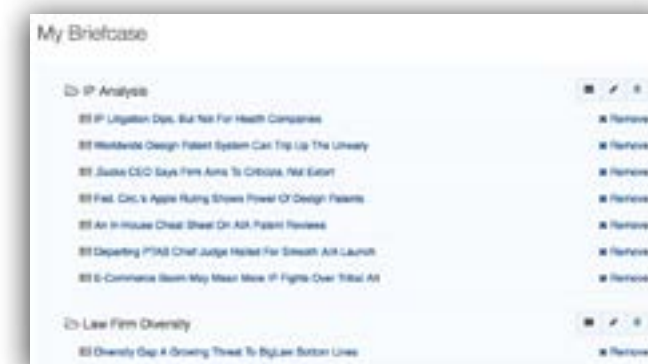

PTAB Cases & Documents

Law360 Platform also gives you the ability to search and download filings with the **U.S. Patent & Trademark Office's Patent Trial & Appeal Board**.

This tool lets you search PTAB cases and full-text documents, set up alerts on new cases, follow ongoing cases, and track new decisions and other types of filings.

Law360 Briefcase

Want to save articles or case filings and send them to colleagues via email? The Law360 Briefcase makes it **easier than ever to access and share your research**.

JUSTICE SERVED

Our database includes **1M+ cases** with activity since 2011, giving you access to most active federal litigation in trial courts.

Law360 Alerts

Law360 Alerts provides **daily and real-time news and case alerts** on organizations, industries, and customized search queries.

Our 31,000+ organization-specific pages include significant legal events involving law firms, companies, industries, and government agencies.

No matter what area of law you focus on or industry you follow, Law360 provides **daily coverage** of the **litigation, policy developments, and legal trends** you need to know about to stay ahead of the curve.

Law360 has quickly become required reading for serious lawyers representing companies in high value deals, governmental regulatory issues and high stakes litigations. It provides the reader with new developments and results in almost a real-time basis. **The vast majority of our partners, including me, consider it to be required reading each day.**

A. William Urquhart, Quinn Emanuel Urquhart & Sullivan

I read Law360 on my mobile before I even arrive in the office, and most of our lawyers here do, too. Our industry is complicated, and it's fast-moving. **Law360 is timely, concise, accurate, and focused on the right priorities**, enabling me to quickly access the legal developments I need.

Michael D. Fricklas, General Counsel, Viacom

Each morning, I have to decide whether to first have my Starbucks or read **Law360** — usually Law360 wins out. **It's an essential part of my daily routine.**

Sara A. Begley, Partner, Reed Smith

I look forward to reviewing **Law360** every morning as **the most comprehensive, concise and insightful source of news on current legal developments** and on the legal profession.

Paul Roeder, Deputy General Counsel for Litigation, Hewlett-Packard

I read Law360 on my iPhone every morning before I even get out of bed. **Law360 is hands down the legal industry's leading legal news source.**

Don McKenna, Partner, Hare Wynn Newell & Newton

Law360 is invaluable for its early-day briefings on breaking developments in a variety of practice areas. It keeps me up to date every day on the developments I need to know about. Knowing what is going on early is essential for me and my team to provide proactive legal advice and anticipate possible problems. **It has become a key element of our efforts.**

Robert E. Bostrom, General Counsel, Abercrombie & Fitch

I jumpstart my day by reading **Law360 every morning**. Short, concise blurbs keep me informed about latest developments while allowing me to read full articles later in greater detail. **Law360 provides me my news how and when I want to get it.**

Keith N. Costa, Partner, Riker Danzig

Law360 is the legal equivalent of a stock ticker. **It is the first email I open every morning**, and I check it for updates at least two or three times throughout the day. **If I could only have one resource to maintain my professional acuity, Law360 would be it.**

Kevin Covert, Deputy General Counsel for Human Resources, Honeywell
