Mission Statment

The Dominican University Department of Athletics inspires student athletes today and prepares leaders for tomorrow by supporting Dominican University's core values; inspiring the pursuit of academic and athletic excellence; providing student-athletes with experiences leading to personal development; facilitating leadership opportunities on and off the playing surfaces; and fostering teamwork.

DOMINICAN UNIVERSITY STARS

DOMINICAN UNIVERSITY ATHLETICS EVENT INFORMATION

- Admission to all Dominican University home athletics contests (baseball, basketball, soccer, softball, tennis) is free with the exception of NCAA postseason play.
- Dominican University does not permit food or drink inside West Campus Field nor the Igini Sports Forum.
- Pets are not allowed at any Dominican University Home Athletics Events.
- **ALCOHOL IS NEVER ALLOWED AT ANY DOMINICAN UNIVERSITY ATHLETICS EVENT.**

ATHLETICS EVENT MANAGEMENT

Jeanne Czipri, Coordinator of Athletics Events, is responsible for the organization of all Dominican University home athletics events, including scheduling/training a contest manager and student-workers. Should you have any questions leading up to your visit to a Dominican University home venue, please contact Jeanne Czipri at jczipri@dom.edu or 708.524.6554.

On the day of the event, you will be assigned a greeter that will help you as you arrive to the venue, directing you where to park, escorting your team to the locker rooms (if available) and training room (if available). The contest manager and assigned greeter will be your contacts should any questions arise en route or once you arrive at the site of competition.

ATHLETIC TRAINING

Sara Furlette-Koski, Head Athletic Trainer, is responsible for the athletic training needs at all of Dominican University's home athletics events, including the scheduling of a certified athletic trainer that will be on-site at all home athletics events.

Dominican University will provide water, cups, injury ice and basic emergency medical supplies (i.e. crutches, AED, phone) at all events (on and off campus). Please have your team travel with a stocked medical kit as the host certified athletic trainer might not be equipped to supply materials for both teams.

For on-campus events, the athletic training room is located in the lower level of the Igini Sports Forum. Requests for pregame treatment must be made in advance (preferably via email). Electric stimulation, hydroculator packs and ultrasound are available upon arrival only when a request has been made from certified athletic trainer. No treatments will be provided without prior notice.

At off-campus venues, there are no advanced modality or heat treatments available.

Should you have any questions or athletic training requests leading up to your visit to a Dominican University home venue, please contact Sara Furlette-Koski at sfurlettekoski@dom.edu or 708.524.6226.
