Uniting for Youth

We are weary of hearing about young people being killed in SE Seattle neighborhoods. We are forging relationships and building a March For YOUTH; coming together to stand, and march in remembrance and asking for a future. Remembering those we've lost and asking for the attention our youth need. **JOIN US NOW!** Show your concern for the youth of our neighborhoods.

Since the beginning of 2008, at least 8 young African American men, really teenagers, have died due to violence in Rainier Valley. These are OUR children! Come out to plan and to March.
