Please Join The Fight To End The SMF:

1. Visit our website at www.protectazchildren.org and learn more about this road and our efforts to stop it
2. Sign up for our email newsletter
3. Tell your family, friends and neighbors
4. Make a tax deductible donation of \$20, \$50, \$100 or more online or to our PO Box:
PO Box 50455 Phoenix, AZ 85076-0455

SAVE AHWATUKEE

Save South Mountain
STOP the South Mountain Freeway

protectAZchildren.org

FACT:

The SMF is an above grade 8-lane highway without interchanges at 32nd St. or Shaughnessey Rd. that cuts through South Mountain Park.

RESULT:

- **Cut through traffic** in neighborhoods around 32nd St. and 17th Ave. Welcome your new speed bumps!
- **Increased local pollution** near 10 schools within 1/2 mile results in more childhood asthma due to toxic particulates and fumes.
- **Noise**—Do you want a 25ft sound wall the length of Pecos Rd?
- **Crime**—Per Phoenix PD, crime levels are higher near freeways. Check the Ahwatukee police blotter near the I-10.
- **Truck bypass**—“Regional mobility” means trucks from trucking company depots, warehouses and tank farms near 59th Ave get to the East Valley through your backyard. Many of these trucks will be gasoline tankers and other HazMat trucks avoiding the Deck Park Tunnel.

The \$3 BILLION This Road Will Cost Could Be Much Better Used On Other Road Projects In The County That WILL EASE TRAFFIC CONGESTION.
