## NASW IS GREEN!

### Environmental Savings Information

The savings below are achieved when postconsumer recycled fiber is used in place of virgin fiber.

NASW Catalog uses 18,597 lbs of paper which has a postconsumer recycled percentage of 30%.

67 trees preserved for the future

4 lbs waterborne waste not created

31,295 gallons wastewater flow saved

2,095 lbs solid waste not generated

5,700 lbs net greenhouse gases prevented

30,000,000 BTUs energy not consumed

Primary values were derived from information publicly available at [www.epa.gov/cleanrgy/egrid/index.htm](http://www.epa.gov/cleanrgy/egrid/index.htm)

# WELCOME

Dear Valued NASW Member and Customer:

It is my distinct pleasure to present you with the NASW Press 2016–2017 publications catalog.

Through the years, NASW Press has offered over 100 titles to help social workers advance and meet their professional needs. This year's collection includes even more award-winning books, brochures, and videos, as well as new and updated NASW standards.

Inside, you will discover titles that cover topics such as health and mental health; aging; clinical practice; children, youths, and families; practice and policy; and much more. Be sure to review the “New Titles” section for books covering the latest issues facing social workers today.

We are also very excited to announce that we have expanded our collection by adding select titles in an eBook format. Included in this venture are new book releases, bestsellers, and popular reference works. Please visit our Web site, <http://ebooks.naswpress.org>, periodically for newly added eBook titles and promotions.

If you are a social work educator, you may review any NASW Press book for classroom adoption. For more information, please call 1-800-227-3590.

As you consider your selection, know that our customer service team is just a phone call away to answer any questions or to process your print order. You may also order online at [www.naswpress.org](http://www.naswpress.org) or, for eBooks orders, <http://ebooks.naswpress.org>.

We invite you to explore the professional resources available in our 2016–2017 catalog. We think you'll like what you find!

All the best,

Cheryl Y. Bradley

## NEW TITLES

### Social Work Practice in Child Welfare

#### The Interactional Model

**Lawrence Shulman**

*Social Work Practice in Child Welfare: The Interactional Model* integrates and illustrates practice theory and practice skills. It demonstrates how evidence-based practices can be integrated into a practice framework, consistent with a social worker's professional role, while avoiding overly prescriptive practices. The general practice model is presented, illustrated, and then applied to the different areas of social work in child welfare, including protection, family support, foster care, adoption, and residential care. Process recording examples drawn from child welfare

practice are analyzed and then connected to the practice model. *Social Work Practice in Child Welfare: The Interactional Model* presents a paradigm shift from the current medical model to the emerging interactional model. This book is an excellent resource for those social workers and practitioners who work in the field of child welfare.

**ISBN: 978-0-87101-495-5. 2015. Item #4955. 208 pages. \$42.99**

### Workplace Bullying

#### Clinical and Organizational Perspectives

**Judith Geneva Balcerzak**

Are you or your colleagues stressed out at work? Do you feel degraded, humiliated, embarrassed, or threatened? If so, maybe you are a victim of workplace bullying. Although the problem of workplace bullying is not new, the incidence, prevalence, and severity have worsened in the United States. In *Workplace Bullying: Clinical and Organizational Perspectives*, Judith Geneva Balcerzak provides an understanding of workplace bullying from a theoretical, clinical, organizational, and public policy perspective. This book is unique in that it approaches the subject of workplace bullying from multiple disciplines.

There are few laws that protect workers from emotional abuse. Individuals who have been victims of workplace bullying may develop severe symptoms and illness, including major depression and suicidal ideation. Some bullied workers have become disabled and are unable to continue working or return to work after taking a leave of absence. Because it is not illegal, workplace bullying is difficult to prosecute and perpetrators are rarely held accountable.

This timely resource will serve as a practice guide for social workers, clinicians, practitioners, consultants, and policy advocates addressing the concerns of workplace bullying. It offers strategies for bullying prevention and intervention, treatment, remediation, and advocacy for those who are or have been bullied in the workplace.

**ISBN: 978-0-87101-490-0. 2016. Item #4900. 272 pages. \$49.99**

## Macro Perspectives on Youths Aging Out of Foster Care

**Mary E. Collins**

For the past 20 years, there has been increased attention to the circumstances under which young adults leave the foster care system when they achieve age-defined adulthood. In the United States, this is referred to as “aging out” of foster care. Typically, these young people did not benefit from a reunification with their family or a permanent family situation with kin or through adoption.

*Macro Perspectives on Youths Aging Out of Foster Care* offers an extensive look at the issue through a macro orientation.

Attempting to balance the primary focus on microsystems, and consistent with a social work perspective, this book aims to provide a greater emphasis on the larger macrosystems of society, policy, organization, and community. Successful or unsuccessful outcomes of the transition from foster care are heavily dependent on the processes and structures that make up the external environment. Youths exiting foster care may be especially influenced by the circumstances of the larger social context because they often lack the mediating advantages of a strong familial connection. After long stays in the foster care system, they may have limited support, skills, and resources required for a healthy, productive, independent adulthood.

**ISBN: 978-0-87101-488-7. 2015. Item #4887. 224 pages. \$49.99**

## Social Work Documentation A Guide to Strengthening Your Case Recording, 2nd Edition

**Nancy L. Sidell**

The second edition of *Social Work Documentation: A Guide to Strengthening Your Case Recording* is an update to Nancy L. Sidell's 2011 book on the importance of developing effective social work documentation skills. The new edition aims to help practitioners build writing skills in a variety of settings. New materials include updates on current practice issues such as electronic case recording and trauma-informed documentation. The book addresses the need for learning to keep effective documentation with new exercises and provides tips for assessing

and documenting client cultural differences of relevance. Sidell encourages individuals to reflect on personal strengths and challenges related to documentation skills. *Social Work Documentation* is a how-to guide for social work students and practitioners interested in good record keeping and improving their documentation skills.

**ISBN: 978-0-87101-486-3. 2015. Item #4863. 236 pages. \$43.99**

### **Burnout and Self-Care in Social Work**

**A Guidebook for Students and Those in  
Mental Health and Related Professions**

**SaraKay Smullens**

Are you exhausted, stressed, overwhelmed? Or do you feel that these reactions are very close, waiting in the wings? If so, *Burnout and Self-Care in Social Work* is the book for you. Burnout, one of the primary reasons why committed social workers leave the profession, is a grave and pervasive problem with glaring impact. Those entering social work and all related fields, as well as those already deeply involved, must be educated about its toll and

prepared to address and prevent the depletion it causes. This book provides valuable insights for all who carry complex and divergent responsibilities. SaraKay Smullens addresses both burnout and self-care from a professional, personal, social, and physical perspective. She integrates research, case studies, questionnaire responses, and her seasoned experience to identify three major root causes of burnout—compassion fatigue, countertransference, and vicarious trauma—and defines creative strategies for individual self-care opportunities. This resourceful guide offers clarification, direction, and opportunity for reflection to help students and professionals in social work, related fields, and beyond find balance in their personal and professional lives as well as ease work-related stress to better serve clients—and, in this way, achieve professional equilibrium, success, and personal fulfillment.

**ISBN: 978-0-87101-462-7. 2015. Item #4627. 152 pages. \$37.99**

### **Returning Home**

**Reintegration after Prison or Jail**

**Stephen J. Bahr**

Did you know that each year approximately 600,000 individuals are released from prison in the United States?

How do they reintegrate into society after their release? Are there any programs to help prepare inmates for reintegration during incarceration, and which of these programs are effective? What are the differences between the people who manage to break the cycle of release and rearrest and those who return to prison, despite their efforts at a successful reintegration?

These are some of the challenges that individuals face after being released from prison or jail. In *Returning Home: Reintegration after Prison or Jail*, the author presents the results of his interviews with dozens of parolees who shared their life experiences about being released from prison and managing reintegration. Bahr explains the challenges faced by former inmates after they are released, including finding living arrangements, dealing with mental health and substance use issues, and avoiding relapse and rearrest. Although there are existing resources, Bahr provides a more comprehensive look at the process of reintegration using both qualitative and quantitative data to address these major concerns.

**ISBN: 978-0-87101-461-0. 2015. Item #4610. 220 pages. \$46.99**

## Multicultural Perspectives on Race, Ethnicity, and Identity

Elizabeth Pathy Salett and Diane R. Koslow, Editors

In the past 30 years, the United States has undergone an unprecedented and accelerated growth in the diversity of its population. These changes affect all elements of our society, underscoring the need for an informed and knowledgeable public that can understand, respect, and communicate with people of diverse backgrounds. *Multicultural Perspectives on Race, Ethnicity, and Identity* discusses the relationship between race, ethnicity, sense of self, and the development of individual and group identity. It further explores the question of who we are and who we are becoming from the perspective of our multicultural, multilingual, and globally interconnected world. This book offers

readers the opportunity to examine the importance of ecological and environmental factors in defining how we experience our lives and the world around us.

The authors introduce and review numerous frameworks and models for understanding racial and ethnic identity development. Each chapter examines social, economic, and political processes related to building and preserving racial and ethnic identities and perceptions of self. *Multicultural Perspectives on Race, Ethnicity, and Identity* is a great resource for all social workers.

ISBN: 978-0-87101-460-3. 2015. Item #4603. 224 pages. \$42.99

## Reflections on the American Social Welfare State

The Collected Papers of James R. Dumpson, PhD, 1930–1990

Alma J. Carten

*Reflections on the American Social Welfare State: The Collected Papers of James R. Dumpson, PhD, 1930–1990* presents an insightful overview of American social welfare developments over a critical 50-year period, when social welfare policy was expanded to new heights through New Deal and civil rights legislation followed by conservative attacks on the foundation of these progressive policy reforms. Professor Alma J. Carten describes and critically assesses these developments, drawing

upon scholarly accounts of social welfare history, her personal experience as a social policy analyst, and a careful examination of the papers of Dr. James R. Dumpson, one of the nation's most prominent African American social work policy advocates. Professor Carten presents a unique social policy narrative resulting from a combination of objective social welfare policy history intertwined with her subjective biographical account of Dumpson, who influenced much of that history. The resulting hybrid makes for informative and engaging reading.

ISBN: 978-0-87101-458-0. 2015. Item #4580. 288 pages. \$37.99

## NEW TITLES

### Linear Regression Analysis Assumptions and Applications

**John P. Hoffmann and Kevin Shafer**

*Linear Regression Analysis: Assumptions and Applications* is designed to provide students with a straightforward introduction to a commonly used statistical model that is appropriate for making sense of data with multiple continuous dependent variables. Using a relatively simple approach that has been proven through several years of classroom use, this text will allow students with little mathematical background to understand and apply the most commonly used quantitative regression model in a wide variety of research settings. Instructors will find that its well-written and engaging style, numerous examples, and chapter exercises will provide essential material that will complement

classroom work. *Linear Regression Analysis* may also be used as a self-teaching guide by researchers who require general guidance or specific advice regarding regression models, by policymakers who are tasked with interpreting and applying research findings that are derived from regression models, and by those who need a quick reference or a handy guide to linear regression analysis.

**ISBN: 978-0-87101-457-3. 2015. Item #4573. 240 pages. \$46.99**

### Social Work Speaks, 10th Edition

**NASW**

The 10th edition of *Social Work Speaks* is a comprehensive and unabridged collection of policies adopted and revised by the NASW Delegate Assembly in 2014. The Delegate Assembly, NASW's key policy-making body, meets every three years. The policy statements set the parameters for NASW's positions and actions on a broad range of public policy and professional issues.

*Social Work Speaks* is an unrivaled reference tool that represents the collective thinking of thousands of experienced social workers from all fields of practice. It is a first-rate introductory social policy text that will spark dynamic and valuable debates on public policy and the role of social work in effecting social change.

This edition includes 20 revised and expanded policy statements on topics ranging from affirmative action and early childhood care to health care and women's issues. All of the revised policy statements were last updated in 2005.

Social workers who want to be informed and involved in policy analysis, advocacy for social policies, or the formulation of future policy statements will find the 10th edition of *Social Work Speaks* a useful volume.

**ISBN: 978-0-87101-459-7. 2015. Item #4597. 392 pages. \$51.99**

## Harm Reduction for High-Risk Adolescent Substance Abusers

**Maurice S. Fisher Sr.**

In today's society, adolescents are faced with several life-changing challenges—peer pressure, bullying, alcohol and drug abuse, diseases, and engaging in various sexual behaviors.

In *Harm Reduction for High-Risk Adolescent Substance Abusers*, Maurice S. Fisher shares his experience of helping adolescent clients take charge of their life after negative consequences of substance use or abuse, and empowering young men and women to make better choices and minimize risky behaviors, using harm reductive methods.

Harm reductive methods are used for adolescents who are at higher risk for aggression and violence during three phases: while obtaining the drugs, during active use, and during withdrawal from the substances. Fisher explains harm reduction as an evidence-based method that concentrates on behavior modification and refrains from making moral judgments. He recognizes abstinence-only programs as unrealistic, moral value-laden frameworks based on dishonesty and simplifications. It is not the substance use, but rather the physical, psychosocial, emotional, and often legal consequences of use that lead to terrible consequences among adolescents. The book serves as a good resource for therapists, counselors, and clinicians to help adolescents who have lost control and are signaling for help to get their life back on track and grow into adulthood as successful members of society.

**ISBN: 978-0-87101-455-9. 2014. Item #4559. 230 pages. \$46.99**

## Caregiving and Care Sharing A Life Course Perspective

**Roberta R. Greene and Nancy P. Kropp**

Caregiving and care sharing take place across the life course and involve various configurations. Although there are similarities, families have different needs and experiences of care depending on the caregiving situation, life course issues, and unique personal history.

As the number of older adults rises, the diversity of the population will also increase. The concept of care sharing indicates that care provision is not a solitary task. It implies that professionals are part of a caregiving collective—joining with families to promote functioning of those who require care. The chapters in this book

identify various experiences of care and provide an opportunity for students and practitioners to develop their own model as professionals who will be part of a caregiving collective.

**ISBN: 978-0-87101-456-6. 2014. Item #4566. 272 pages. \$48.99**

## NEW TITLES

### Social Work Practice with Veterans

Gary L. Dick, Editor

In times of crisis, service members answer the call of duty, making the ultimate sacrifice for their country. When our military service members are called to defend our nation, the entire family system is affected. The families of deployed service members are also called on to serve and sacrifice for their country as they continually accept, adapt, and adjust to the changes that accompany the various stages of the deployment cycle. *Social Work Practice with Veterans* is a comprehensive, evidence-based social work book that addresses the multiple issues related to working with service members, veterans, and their families.

The book integrates research, practice experience, case studies, theory, and social work values into a single text that covers the entire cycle of deployment and the complicated adjustments associated with posttraumatic stress disorder, suicide, traumatic brain injury, and substance abuse, with chapters devoted to military fathers, gays in the military, military children, and more.

ISBN: 978-0-87101-453-5. 2014. Item #4535. 352 pages. \$49.99

### Parallels between Writing Biographies and Clinical Practice

Impact. Influence. Value.

Esther Urdang

*Parallels between Writing Biographies and Clinical Practice: Impact. Influence. Value.* offers clinicians an in-depth understanding of the commonalities between the psychological and intellectual processes involved in writing biographical works and those involved in clinical practice. Although these processes often take place beneath the surface, both biographers and clinicians are subjectively involved in all aspects of their work, such as the biases of their theoretical positions and selection and evaluation of evidence.

In this book, lengthy life course portraits of six individuals are presented, vividly illustrating many key clinical concepts, such as the impact of the past, the development of attachments, the trauma of loss, and resilience. Examples include Rudyard Kipling's experience in a foster home, and the impact of blindness and separation on the writer Ved Mehta. This book addresses a need expressed by many practitioners and educators to reintegrate key clinical concepts into practice, such as understanding experiential worlds, applying psychodynamic knowledge, and developing self-aware empathic relationships with clients.

ISBN: 978-0-87101-450-4. 2014. Item #4504. 304 pages. \$38.99

## By Grace

### The Challenges, Strengths, and Promise of African American Marriages

**Tricia B. Bent-Goodley, Editor**

*By Grace: The Challenges, Strengths, and Promise of African American Marriages* examines contemporary and historical issues that have affected black marriages, relationships, and families. The chapters explore major topics as they relate to African American marriages, including economics, caregiving across the life span, mental illness, health, gender roles and relationships, and social policy. *By Grace* highlights the strengths and resilience of African American relationships. The book is written for diverse professional and community audiences. It can be used by couples to explore some of the challenges they experience in their marriages to support healthy relationship building. The book also serves as a resource and provides practical approaches for practitioners.

**ISBN: 978-0-87101-451-1. 2014. Item #4511. 184 pages. \$39.99**

## Hope Matters

### The Power of Social Work

**Elizabeth J. Clark and Elizabeth F. Hoffer, Editors**

EXPECTATION. OPTIMISM. BELIEF. PROMISE.

When looking for a change or a solution to a problem, we turn to these manifestations of hope, both as individuals and on a societal level.

The capacity to hope for change enables social workers to serve people who have experienced torture, trauma, drug addiction, domestic violence, or child abuse. The challenges facing clients are multilayered and complex, and require a sensitive, informed approach.

*Hope Matters: The Power of Social Work* can inspire hope in each one of us, no matter our personal and professional challenges. The editors explore the stories of professional social workers in all fields of practice as they promote the clinical and community uses of hope to inspire their clients and help them solve seemingly intractable problems. The contributors to this collection highlight the role of resilience in making progress toward overcoming obstacles and reaching a positive outcome. *Hope Matters* is filled with uplifting examples of the power and importance of social work.

*Hope Matters: The Power of Social Work* is a companion to the recently published *Social Work Matters: The Power of Linking Policy and Practice*, which has demonstrated social work's central role in working toward achieving healthy functioning in society.

**ISBN: 978-0-87101-454-2. 2014. Item #4542. 272 pages. \$47.99**

# REFERENCE WORKS

## 20th Edition of the **Encyclopedia of Social Work**

### Print Editions

Co-published by NASW Press  
and Oxford University Press

### 4-VOLUME SET!

NASW Press and Oxford University Press collaborated on the 20th edition of the *Encyclopedia of Social Work*. This edition of the Encyclopedia includes coverage of areas that have come to the fore since the 1995 publication of the 19th edition, including demographic changes from immigration, technology, the implications of managed care, faith-based assistance, evidence-based practice, gerontology, trauma, and disaster. Each thoughtful article is written by a top academic or social work practitioner and includes a bibliography for further reading.

Partnering with Oxford for the first time, NASW Press endeavors to maintain the quality of the latest edition and at the same time to include new material to keep abreast of changes in the profession and society at large.

#### READER-FRIENDLY RESEARCH TOOL

## The Social Work Dictionary, 6th Edition

**Robert L. Barker**

Do you know the definitions of “anamnesis,” “eustress,” “sarcopenia,” or “redecision therapy”?

These and thousands of other terms are defined in the sixth edition of *The Social Work Dictionary*.

This new, updated edition includes:

- definitions of terms that are consistent with those in the DSM-5 and the International Classification of Diseases
- terms used by social work clinical practitioners, educators, administrators, researchers, advocates, and many others
- names of social welfare organizations, government programs, and private foundations that social workers encounter
- a chronology of important historical events and pivotal figures in the development of social work and social welfare

**CUSTOMER FAVORITE!**

*The Social Work Dictionary* is used by those who write licensing examination questions and those who conduct license preparation courses. It is the foundational communications tool in undergraduate and graduate courses as well as continuing education programs.

**ISBN: 978-0-87101-447-4. 2013. Item #4474. 528 pages. \$49.99**

## An Author's Guide to Social Work Journals, 5th Edition

**NASW Press**

Every prospective author wants to be recognized as credible, authoritative, and reputable, and finding the best fit for one's manuscript among the myriad social work journals in publication is critical to achieving recognition. For this reason, *An Author's Guide to Social Work Journals* has been an indispensable part of the libraries of academics and researchers for several decades—the first edition was published in 1983.

The fifth edition of *An Author's Guide to Social Work Journals* describes over 200 journals, arranged by subject, and includes, as always, detailed information for each title on the following criteria:

- current and previous title • editorial focus • special or theme issues • where indexed and abstracted
- circulation • frequency of publication • submission guidelines and format • suggested style • review process • acceptance rate • reprint policy • e-mail addresses and Web sites • and much more!

**ISBN: 978-0-87101-392-7. 2009. Item #3927. 424 pages. \$47.99**

## Social Workers' Desk Reference, 3rd Edition

**Kevin Corcoran and Albert R. Roberts, Editors-in-Chief**

People all over the world are confronted by issues such as poverty, a lack of access to quality education, unaffordable or inadequate housing, and a lack of needed health and mental services on a daily basis. There is a need for social workers who have access to relevant and timely scholarly materials to meet the needs of those facing these issues. The social, psychological, and biological factors resulting from these issues determine the level of a person's mental health at any given point in time, and it is necessary for social workers to continue to evolve and develop to adequately understand the effects of these issues.

In the first and second editions of the *Social Workers' Desk Reference*, the changes that were occurring in social work practice, education, and research were highlighted and focused on. This third edition continues in the same tradition to respond to the changes occurring in society and how they are affecting the education, research, and practice of social work as a whole. With 159 chapters collaboratively written by luminaries in the profession, this third edition serves as a comprehensive guide to social work practice by providing the most recent conceptual knowledge and empirical evidence to aid in the understanding of the rapidly changing field of social work. Each chapter is short and contains practical information in addition to Web sites and updated references. Social work practitioners, educators, students, and other allied professionals can use the *Social Workers' Desk Reference* to gain interdisciplinary and interprofessional education, practice, and research.

# AGING

## Empowering Social Workers for Practice with Vulnerable Older Adults

**Barbara Soniat and Monica Melady Micklos**

Social workers are frequently the first responders in situations that require assessment of an older person's capacity for independent decision making and self-care, yet there is limited professional literature to inform and guide social work practice in the area of assessing capacity and working with vulnerable and at-risk older adults. *Empowering Social Workers for Practice with Vulnerable Older Adults* teaches the generalist social worker how to work with vulnerable older adults and presents a useful model to guide social workers in assessing capacity and making intervention decisions.

**ISBN: 978-0-87101-395-8. 2010. Item #3958. 144 pages. \$36.99**

## Foundations of Social Work Practice in the Field of Aging

**A Competency-Based Approach**

**Roberta R. Greene, Harriet L. Cohen,  
Colleen M. Galambos, and Nancy P. Kropf**

Social work educators, students, practitioners, administrators, and policymakers will find updated, useful information in this text regarding assessment tools, cultural influences, evidence-based practices, intervention techniques, and theoretical examples.

**ISBN: 978-0-87101-378-1. 2007. Item # 3781. 328 pages. \$49.99**

## The Children's Bureau Shaping a Century of Child Welfare Practices, Programs, and Policies

**Katharine Briar-Lawson, Mary McCarthy,  
and Nancy Dickinson, Editors**

This edited book on the Children's Bureau and child welfare delineates legacies and highlights the ways that the Children's Bureau has influenced modern-day child welfare practices. As a centennial marker in honor of the Children's Bureau, this book also charts future agendas and innovations that may guide more effective practice, programming, and policies. Indeed, social workers launched the Children's Bureau in 1912. Originally in the Department of Labor, the Children's Bureau has

a century-long legacy linked to the social work profession. Ultimately, this book will serve as a testimonial to the durability of the Children's Bureau, the changing nature of the challenges addressed, and the ongoing leadership role of social work.

**ISBN: 978-0-87101-446-7. 2013. Item #4467. 360 pages. \$55.99**

## Children and Families Affected by Armed Conflicts in Africa:

### Implications and Strategies for Helping Professionals in the United States

**Joanne Corbin, Editor**

*Children and Families Affected by Armed Conflicts in Africa: Implications and Strategies for Helping Professionals in the United States* aims to enhance the awareness and knowledge of helping professionals who work with children and families who have experienced armed conflict in Africa. It draws on the experiences of working practitioners with populations affected by armed conflicts, specifically in Uganda and Rwanda.

In this book, you will hear from African practitioners discussing the political, economic, cultural, social, and spiritual elements of life that have been affected by war. It is timely in that an increasing number of people have emigrated from Africa since the early 1900s as a result of the impact of armed conflict on their lives and families.

This book is unique in that it connects the issues of children who have been exposed to armed conflicts in several African contexts to the U.S. practice arena, and reflecting on the interventions being used in Africa and their applicability in this country. The content is relevant for those agencies and public education systems providing services to immigrant and refugee populations from Africa.

**ISBN: 978-0-87101-442-9. 2012. Item #4429. 240 pages. \$36.99**

# CHILDREN, YOUTHS, & FAMILIES

## My Girls

### A Story of Survival and Togetherness in the Inner City

**Graham Danzer**

Low Self-Esteem. Abused. Degraded. Misunderstood.

These words are frequently used to identify teenage girls when discussing the various trials and tribulations they face on a daily basis. Overwhelmed by life experiences, these girls often find it difficult to open up and share their problems. They may feel as if their circumstances are so overwhelming and their pain is so deep that talking about them will not make a difference.

*My Girls: A Story of Survival and Togetherness in the Inner City* explores the real, emotional, and raw experience of working with at-risk African American teenage girls. The book is based on Graham Danzer's clinical study of counseling six teenage girls in a group setting at an inner-city public school. It explains what the author learned from the girls' struggles and how he was able to penetrate through cultural, gender, and racial barriers. It tells a tale of reciprocal enrichment and enlightenment.

**ISBN: 978-0-87101-423-8. 2011. Item #4238. 288 pages. \$39.99**

## The Ultimate Betrayal

### A Renewed Look at Intimate Partner Violence

**Tricia B. Bent-Goodley**

- In the United States, a woman is physically abused by her intimate partner every nine seconds.
- One-third of women in the global community have experienced sexual, physical, or emotional abuse by an intimate partner.
- On average, more than three women a day are murdered by an intimate partner.

Intimate partner violence, also called domestic violence, is a complex problem that has devastating effects on every socioeconomic, racial, and ethnic group. In this groundbreaking resource, Tricia B. Bent-Goodley explores the cultural, historical, psychological, social, familial, and legal issues surrounding intimate partner violence. Listed at the end of each chapter are additional resources that readers can use to further their understanding, self-exploration, and knowledge.

**ISBN: 978-0-87101-418-4. 2011. Item #4184. 224 pages. \$35.99**

## How to Screen Adoptive and Foster Parents

A Workbook for Professionals and Students

James L. Dickerson, Mardi Allen, and Daniel Pollack

- What should you know before beginning a screening interview?
- What are the warning signs that an applicant may be a child predator?
- When is psychological consultation warranted?

Screening potential adoptive and foster parents is an extremely difficult task, yet many social workers who screen applicants and supervise placements have no written guide to aid in their decision making or to measure competency of technique.

*How to Screen Adoptive and Foster Parents: A Workbook for Professionals and Students* serves as a comprehensive guide for social workers to draw on when making decisions for foster care/adoption placement. Based on case histories, research data, and interpretive analysis, this workbook teaches specific interview skills and analytical decision-making techniques necessary to competently evaluate each unique applicant family within a variety of constructs.

**ISBN: 978-0-87101-415-3. 2011. Item #4153. 272 pages. \$42.99**

## Developing a Sense of Self

A Workbook of Tenets & Tactics for Adolescent Girls

Dorothy A. Kelly

A unique and useful guide for adolescent girls to learn about themselves and how to make a positive difference in today's society, *Developing a Sense of Self* focuses on communication, doing what's right, and finding your center. It also encourages girls to learn about inspiration, strength, and the courage to dream and to live a productive life. This book is designed to generate thought and self-discovery. The

process of critical thinking can facilitate insight, direction, and perspective. Overall, *Developing a Sense of Self* emphasizes the whole being of a person—mind, body, heart, and spirit.

**ISBN: 0-87101-366-5. 2006. Item #3665. 146 pages. \$33.99**

**Use Your Credit Card! NASW Press accepts VISA, MasterCard, American Express, and Discover.**

## The Parent Effect

How Parenting Style Affects Adolescent Behavior and Personality Development

**Joanne E. Carlson**

Adolescence is a difficult developmental period for parents and teenagers alike, a phase that sends many parents searching for information or psychological help. *The Parent Effect: How Parenting Style Affects Adolescent Behavior and Personality Development* is unique among the many available books on parenting. It identifies parenting styles on the basis of parents' underlying issues, motivations, and behaviors and explores how these child-rearing practices affect the parent-teen relationship, adolescents' behavior, and their long-term personality development.

*The Parent Effect* strives to respond to an unmet need in the field of parenting, adolescence, and psychological information. This book identifies five parenting styles in a creative and contemporary manner: "My House, My Rules Parents" (Controlling), "Cool Parents" (Permissive), "Your Life Is My Life Parents" (Enmeshed), "Not Now, I'm Busy Parents" (Neglectful), and "Easygoing Parents" (Balanced).

Events and circumstances in adults' lives can significantly affect their parenting ability and the quality of their relationship with their teenager. Parenting styles are usually a combination of three forces: the parents' own upbringing, what they have learned from outside sources, and their own personal needs and characteristics.

**ISBN: 978-0-87101-417-7. 2011. Item #4177. 242 pages. \$39.99**

## Child Custody Evaluations by Social Workers

Understanding the Five Stages of Custody

**Ken Lewis**

*Child Custody Evaluations by Social Workers: Understanding the Five Stages of Custody* fills what was previously a void in the child welfare literature by defining the parameters of child custody and advocating the use of a stages model to conduct custody evaluations.

Because social workers understand the significance of ecological models and holistic practices for child development, the profession has always played a critical role in conceptualizing and implementing effective child custody evaluations. Therefore, it is fitting that this important work, authored by a veteran social worker, is now available for social work practitioners and legal professionals seeking guidance for best practices in conducting mental health evaluations.

**ISBN: 978-0-87101-387-3. 2009. Item # 3873. 96 pages. \$24.99**

## Finding Help for Struggling Teens

A Guide for Parents and the Professionals Who Work with Them

**Frederic G. Reamer and Deborah H. Siegel**

Struggling teen. Troubled teen.  
Problem child. Rebellious one.

These terms are all too familiar in coping with or addressing youths who show signs of distress. Social relationships are strained and high-risk behaviors are demonstrated. Trying to provide the care and guidance that is needed is a major challenge for parents and other caregivers whose greatest desires for their teen are good mental and physical health as well as self-confidence and happiness.

This guide is designed to provide parents of struggling teens, and the professionals who work with them, with a concise overview of issues they are likely to face, the range of available services and programs, practical strategies for finding the right services and programs, and advice about how to cope with a struggling teen.

#### SPECIAL FEATURES:

- Description of common signs of distress
- Guide to locating and accessing programs and services
- Considerations before selecting a program or service
- Elements of a comprehensive needs assessment

**ISBN: 978-0-87101-373-6. 2006. Item # 3736. 80 pages. \$24.99**

## Risk and Resilience in Childhood

An Ecological Perspective, 2nd Edition

**Mark W. Fraser, Editor**

Literature is replete with stories of children who recover against impossible odds. No less dramatic are real-life accounts in social work case files. But why are some children so resilient when others are not? How can social work practice appropriate these positive forces on behalf of more children?

*Risk and Resilience in Childhood: An Ecological Perspective*, 2nd edition, takes a major leap forward from other social work texts to probe not only risk but resilience and the protective factors that promote positive developmental outcomes. Firmly research based, it bridges the gap between ecological theory and strengths-based practice and provides a foundation for developing case-specific interventions.

**ISBN: 0-87101-356-8. 2004. Item #3568. 296 pages. \$55.99**

## Stories of Complicated Grief

A Critical Anthology

Eric D. Miller, Editor

Death. Sadness. Depression. Heartache. Pain.

These are words commonly used to describe the range of emotions that individuals experience when dealing with the loss of a loved one, a chronic illness, or an unwanted life-changing event. Grief is often a difficult issue for people to deal with, and there is no right or wrong way to grieve, but there are healthy ways to cope with loss. *Stories of Complicated Grief: A Critical Anthology* is authored by social work and other human service scholars who have personally experienced

complicated, protracted, or otherwise difficult grief and who write openly about their experiences but also place their stories in a larger academic context. This is the sense in which the book constitutes a “critical anthology” and fills a void in the academic, clinical, and general literature.

The authors in this volume discuss how their experiences of loss and grief, though harrowing, ultimately allowed them degrees of personal growth and betterment—with particular emphasis on the importance of giving voice to one’s experience in writing.

ISBN: 978-0-87101-448-1. 2013. Item #4481. 384 pages. \$45.99

## Mindfulness-Oriented Recovery Enhancement for Addiction, Stress, and Pain

Eric L. Garland

Human existence can be beset by a variety of negative mental states such that life seems devoid of meaning, but it can also be liberated—a meaningful life reclaimed and savored through cultivation of a higher kind of mind. This quality, *mindfulness*, refers to both a set of contemplative practices and certain distinct psychological states and traits, and it can be cultivated through intentional effort and training.

In *Mindfulness-Oriented Recovery Enhancement for Addiction, Stress, and Pain*, Eric L. Garland presents an innovative program of intervention that can be put into practice by therapists working with people struggling with addiction and the conditions that underlie it. Unlike other substance abuse treatment modalities, which focus largely on relapse prevention, Mindfulness-Oriented Recovery Enhancement (MORE) concentrates on helping people to recover a sense of meaning and fulfillment in everyday life, embracing its pleasures and pain without avoiding challenges by turning to substance use.

ISBN: 978-0-87101-445-0. 2013. Item #4450. 214 pages. \$40.99

## The School Social Work Toolkit

### Hands-On Counseling Activities and Workshops

**Alison Varianides**

*The School Social Work Toolkit* is a “how to” resource for social workers, counselors, and mental health professionals in education. This book encompasses the direct practice part of the school social worker’s job as well as the administrative and policy-driven aspects such as child abuse reporting, disciplinary interventions, training, and dealing with teachers and parents. The workbook is divided into seven main sections:

- Defining Your Role as a Social Worker
- Individual Counseling Activities
- Group Implementation and Counseling Activities
- Workshops and School Programs
- Communication with Teachers and Professional Development
- Communicating with Parents
- Crisis Intervention—Protocols and Assessments

The toolkit provides hands-on activities and workshops about various social work topics. In addition, the book contains a multitude of invaluable, modifiable sample forms and policy drafts for the school social worker—especially one who acts in an administrator role.

**ISBN: 978-0-87101-438-2. 2012. Item #4382. 178 pages. \$32.99**

## Alcohol, Tobacco, and Other Drugs

### Challenging Myths, Assessing Theories, Individualizing Interventions, 2nd Edition

**Ann A. Abbott, Editor**

The misuse of alcohol, tobacco, and other drugs has severe emotional and financial consequences for users, their families, and society. The collective effects are often devastating because the problems associated with alcohol, tobacco, and drug dependency (ATOD) are far-reaching. Social workers in practice areas related to children and families, seniors and aging, and health and wellness are well aware of the need for effective ATOD interventions. *Alcohol, Tobacco, and Other Drugs: Challenging Myths, Assessing Theories, Individualizing Interventions,*

*2nd Edition*, prepares new social workers as well as updates seasoned professionals for the new realities and challenges in this specialization.

*[This] book builds on a systems or ecological perspective incorporating a bio-psycho-social-cultural-spiritual approach to guide both assessment and intervention. It expands on information included in the first edition by addressing more recent demographic data, greater emphasis on the importance of cultural competence and understanding the role of culture in both dynamics and treatment, and current evidence-based and best practices. New developments, since the first edition, include not only much greater recognition of evidence-based practices, but also new understanding in the areas of tobacco and in the recognition and treatment of co-occurring disorders. (Prologue, Alcohol, Tobacco, and Other Drugs: Challenging Myths, Assessing Theories, Individualizing Interventions, 2nd Edition)*

Ann A. Abbott, Editor

**ISBN: 978-87101-393-4. 2010. Item #3934. 558 pages. \$56.99**

## Outcomes Measurement in the Human Services

Cross-Cutting Issues and Methods in the  
Era of Health Reform, 2nd Edition

**Jennifer L. Magnabosco and  
Ronald W. Manderscheid, Editors**

The second edition of *Outcomes Measurement in the Human Services: Cross-Cutting Issues and Methods in the Era of Health Reform* updates the original volume released in 1997. The second edition's 25 chapters are divided into five sections:

- Overarching Issues and Methods
- Health
- Mental and Behavioral Health
- Child and Family Services
- Special Topics in the Human Services

Each chapter includes discussions and recommendations for how outcomes measurement can more effectively inform research, practice, policy, and advocacy agendas so that the diversity of human service needs in the United States can be met fairly and with cultural sensitivity. The book provides readers with both macro and micro perspectives on the topics of outcomes measurement; incorporates practice, policy, and research perspectives; and examines current and long-standing issues within the human services field with regard to outcomes and performance measurement.

**ISBN: 978-0-87101-422-1. 2011. Item #4221. 424 pages. \$48.99**

## Skinny Revisited

Rethinking Anorexia Nervosa  
and Its Treatment

**Maria Baratta**

Our society's unhealthy obsession with thinness can lead to serious consequences. The pressure to conform to society's standard of beauty leaves many women feeling dissatisfied with their shape and body weight. The extreme reaction to this obsession is anorexia nervosa—a psychiatric disorder characterized by a willful determination to control the intake of food to the point of starvation—and is precipitated by a myriad of causative factors.

*Skinny Revisited: Rethinking Anorexia Nervosa and Its Treatment* offers a thorough overview and etiological explanation of anorexia as an eating disorder. Writing from a feminist sociobehavioral perspective, Maria Baratta forges a powerful argument about the role that our culture at large plays in creating the environment for disordered eating among women.

**ISBN: 978-0-87101-407-8. 2011. Item # 4078. 120 pages. \$29.99**

## Doing What Works

An Integrative System for Treating Eating Disorders from Diagnosis to Recovery

**Abigail Horvitz Natenshon**

*Doing What Works: An Integrative System for Treating Eating Disorders from Diagnosis to Recovery* provides support, direction, clarity, and optimism to clinicians treating these disorders. Eating disorders at times leave practitioners feeling as emotionally challenged and out of control as the patients they treat. In describing what to do and how to do “what works,” reader-friendly strategies and holistic guidelines bring together science and human personality, protocols and art, skill and instinct, evidence-based research, and practicable clinical applications to provide a fully integrative approach to eating disorders care.

In *Doing What Works*, Natenshon fills the gaps that currently exist in professional education and practice and in the general understanding of what sets eating disorder diagnosis and treatment apart from other disorders. The author, a psychotherapist with 40 years of experience treating eating disorders in patients of all ages, a specialty in working with children and families, speaks to health professionals and parents as pivotal advocates for the child in treatment and recovery.

**ISBN: 978-0-87101-390-3. 2009. Item #3903. 380 pages. \$54.99**

## Single-Case Design for Clinical Social Workers, 2nd Edition

**Jennifer Di Noia and Tony Tripodi**

Tony Tripodi collaborated with Jennifer Di Noia to develop the long-awaited follow-up to *A Primer on Single-Subject Design for Clinical Social Workers* (NASW Press, 1994). This release, *Single-Case Design for Clinical Social Workers*, incorporates the paradigm shift to single-case design over single-subject or single-system design to focus on a single unit of analysis—that is, an individual, a couple, a family, or a group. The purpose of this text is to introduce single-case design methodology to clinical social workers, students, and field supervisors.

The use of definitions, measurement scales, charting and graphing, guidelines, and questionnaires in this text makes it a paramount resource for prospective or practicing clinical social workers interested in the enhancement of their clients’ well-being and social functioning.

**ISBN: 978-0-87101-381-1. 2008. Item #3811. 197 pages. \$39.99**

# CLINICAL

## Person-In-Environment System Manual, 2nd Edition

**James M. Karls and Maura E. O'Keefe, Editors**

The *Person-In-Environment System Manual, 2nd Edition*, is an update to the original 1994 release. The *PIE Manual*, 2nd edition, complements the *Person-in-Environment System: The PIE Classification System for Social Functioning Problems*, edited by James M. Karls and Karin E. Wandrei (NASW Press, 1994). While the textbook is still relevant, Karls and O'Keefe were able to apply this model to the 21st century social worker.

PIE was developed as an alternative to the commonly used disease and moral models (for example, *Diagnostic and Statistical Manual of Mental Disorders*, International Statistical Classification of Diseases and Related Health Problems, Civil or Penal Codes) to implement

social work philosophy and specialized expertise. PIE is client-centered rather than agency-centered. Additionally, PIE was developed for use in all areas of social work practice (medical, psychiatric, family service, public welfare, private practice, etc.) to facilitate communication across practice specialty areas.

The PIE System is field-tested and employs the following structure: social role functioning, the environment, mental health, and physical health. This manual is useful for academicians, administrators, practitioners, researchers, and students.

**Manual – ISBN: 978-0-87101-379-8. 2008. Item #3798. 112 pages. \$39.99**

**Book – ISBN: 978-0-87101-240-5. 1994. Item #2405A. 224 pages. \$39.99**

**Book & Manual – ISBN: 978-0-87101-240-5. 2008. Item #2405C. \$64.99**

## Third-Party Reimbursement for Clinical Social Work Services

**NASW**

This booklet is an overview of the various methods by which social workers receive reimbursement for psychotherapy services. It provides contact information for inquiries about state licensing, insurance, and Medicare and Medicaid services. It will be useful for practitioners, administrators, and students.

**Item #A41b. 2008. 56 pages. \$16.99**

## Econocide

### Elimination of the Urban Poor

**Alice Skirtz**

*Econocide—Elimination of the Urban Poor* tells the story of how an overweening focus on economic development, in concert with biased housing policy practices, and a virtual abandonment of civic responsibility, has forsaken the urban poor in Cincinnati, Ohio. Alice Skirtz shows how the city has used legislation and the administration of public policy to serve the ends of privatizing public assets and displacing people who are perceived as undesirable because they lack economic power and privilege.

**ISBN: 978-0-87101-424-5. 2012. Item #4245. 182 pages. \$27.99**

## When Their World Falls Apart

### Helping Families and Children Manage the Effects of Disasters, 2nd Edition

**Lawrence B. Rosenfeld, Joanne S. Caye,  
Mooli Lahad, and Robin H. Gurwitch**

This title is an indispensable guide to understanding the effects of disasters for social workers and other disaster management professionals who care for survivors in these times of exceptional need. Like its predecessor, this updated edition uses a developmental framework to discuss the effects of disasters on children and adults—across the entire life span—and their families and communities. Resiliency, risk, and recovery are emphasized through the discussions that guide communities in planning strategies for prevention and intervention.

**ISBN: 978-0-87101-403-0. 2010. Item #4030. 516 pages. \$59.99**

## Successful Community Leadership and Organization

### A Skills Guide for Volunteers and Professionals, 2nd Edition

**John E. Tropman**

*Successful Community Leadership and Organization: A Skills Guide for Volunteers and Professionals, 2nd Edition* updates John E. Tropman's 1997 edition and adds more detail, including introductory chapters on the idea of community itself. The book addresses the common concerns and problems of local community leaders and organizers and provides an easy-to-use set of skills and techniques that will enable leaders to implement best practices in their community work.

**ISBN: 978-0-87101-439-9. 2012. Item #4399. 184 pages. \$29.99**

# DIVERSITY

## Transnational Pacific Islander Americans and Social Work Dancing to the Beat of a Different Drum

**Halaevalu F. Ofahengaue Vakalahi  
and Meripa Tai'ai Godinet, Editors**

*Transnational Pacific Islander Americans and Social Work: Dancing to the Beat of a Different Drum* serves as a voice for Pacific Islander American communities that have long been subdued in the hope that it will assist in dispelling misunderstandings, misconceptions, and misrepresentations of Pacific Islander Americans.

To highlight both the unique and shared experiences, editors Vakalahi and Godinet invited native authors from several Pacific Island groups to tell their stories. Included are authors from groups with the highest density in the United States, such as Native Hawaiians, Samoans, and Chamorros, and native authors about whom little information is available, such as Chuukese, Yapese, and Palauan.

**ISBN: 978-0-87101-449-8. 2014. Item #4498. 184 pages. \$34.99**

## Prejudice to Pride Moving from Homophobia to Acceptance

**Ann Marie Petrocelli**

*Prejudice to Pride: Moving from Homophobia to Acceptance* describes a journey, moving from ignorance and falsehoods about gay men and lesbians toward understanding and acceptance of the gay community. The book contains the knowledge and experiences of lesbian and gay people meant to educate people about who gay people are, in the hope that people will understand and support the gay community.

The book is divided into five sections and 16 chapters covering a range of issues, including heterosexist parents' influence on their gay children's lives; how gay people remain closeted or come out; the role of organized religious leaders in preventing equality for gay men and lesbians; attitudes and beliefs; gay advocacy and equality; and so much more.

**ISBN: 978-0-87101-428-3. 2012. Item #4283. 152 pages. \$34.99**

**Use Your Credit Card! NASW Press accepts  
VISA, MasterCard, American Express, and Discover.**

## Effects of Conservative Religion on Lesbian and Gay Clients and Practitioners

### Practice Implications

**Ski Hunter**

Heterosexism plays a key role in the views of conservative churches about lesbian and gay people. *Effects of Conservative Religion on Lesbian and Gay Clients and Practitioners: Practice Implications* offers a comprehensive study of the effects that conservative religious views have on gay and lesbian clients and on the social service practitioners who work with them.

The focus of this book is twofold:

- Many lesbian and gay clients who come from conservative religious backgrounds are still religious, and religious organizations are prevalent in their communities.
- Social workers who grow up in conservative religious environments can experience difficulties themselves—and create difficulties for those they serve—if they bring their religious views of lesbian and gay people into practice with them.

This insightful book will serve as a useful springboard for classroom discussions, and it constitutes a long overdue, invaluable resource for beginning and seasoned social workers alike.

**ISBN: 978-0-87101-400-9. 2010. Item #4009. 202 pages. \$48.99**

## Historical Posters

In celebration of the 60th anniversary, NASW created a series of historical posters highlighting some of the organization's monumental moments. Six of the seven posters were created in 2005 for the 50th anniversary. The newly added seventh poster focuses on the advancements and achievements made over the past 10 years. A portion of the proceeds will be donated to the NASW Foundation's LEGACY Project to assist in their effort to support, promote, and preserve NASW and social work history.

**Item #P101. 2015. 12" x 30". 7-Poster Set. \$10.00**

# ETHICS

## The Social Work Ethics Casebook Cases and Commentary

**Frederic G. Reamer**

*The Social Work Ethics Casebook: Cases and Commentary* includes extensive cases and commentary, published exclusively for social workers. The book's realistic cases provide useful tools for rich discussion of ethical dilemmas and decision making. Following each set of cases, Reamer includes commentary highlighting key ethics concepts and references to relevant standards in the NASW Code of Ethics.

The release of *The Social Work Ethics Casebook* highlights ethical issues related to confidentiality and privacy, informed consent, client self-determination, professional paternalism, boundary issues and dual relationships, conflicts of interest, cultural commitments to employers, social work education and training, and more.

**ISBN: 978-0-87101-383-5. 2009. Item #3835. 192 pages. \$39.99**

## Ethical Standards in Social Work A Review of the NASW Code of Ethics, 2nd Edition

**Frederic G. Reamer**

The second edition of *Ethical Standards in Social Work* offers the social work profession the only in-depth analysis of the NASW Code of Ethics. The NASW code provides social workers with a comprehensive summary and analysis of ethical standards in the profession and an explicit statement of the profession's principal mission and core values. This is an updated overview of relevant literature with a new appendix that offers readers challenging ethics cases. This practical guide is designed to help social workers make sound ethical decisions and minimize malpractice risk.

**ISBN: 0-87101-371-1. 2006. Item #3711. 320 pages. \$44.99**

## Money and Psychotherapy

### A Guide for Mental Health Professionals

**Richard Trachtman**

Because of a cultural taboo against talking about money, psychotherapists and their clients avoid discussing the single most powerful cultural force shaping how people think, feel, and behave. *Money and Psychotherapy: A Guide for Mental Health Professionals* tackles the money taboo head-on, introducing mental health professionals to the topic of money, helping them understand how money can affect their ability to be effective in their work, and teaching them the basics of how to address money-related issues with their clients. This book also provides information about problems that clients experience in relation to money and how money affects different clients in differing ways.

*This is a unique book on a sadly neglected subject and, as such, an important contribution to therapy literature. Trachtman refers to the "money taboo" in therapy, and how true that is. In my 40 years as a psychiatrist and psychoanalyst, no supervisor or teacher or lecturer ever referred to the subject. This book should be required reading in every therapy training program. The practical explanations and excellent examples of problems and solutions are presented clearly and succinctly. The material discussed is long overdue and necessary on a subject central to all of our lives.*

Sherman O. Schachter, MD  
Editor, *The Difficult Patient: Psychotherapeutic Strategies*

**ISBN: 978-0-87101-421-4. 2011. Item #4214. 112 pages. \$29.99**

## Postpartum Mood Disorders

### A Guide for Medical, Mental Health, and Other Support Providers

**Kimberley Zittel**

Postpartum mood disorders (PMDs) continue to occur with great frequency. Yet, despite the high prevalence rate, the majority of medical and mental health professionals and other support providers receive minimal training on what PMDs are, how to assess, and how to treat.

In *Postpartum Mood Disorders: A Guide for Medical, Mental Health, and Other Support Providers*, Dr. Kimberley Zittel educates health care providers and women who suffer with PMD and their families on the treatments available for those who suffer with this illness. This timely volume discusses ways that the United States is currently attempting to address PMDs, models that are used around the world, and ways that the United States could improve on efforts to assist those experiencing PMDs.

**ISBN: 978-0-87101-399-6. 2010. Item #3996. 352 pages. \$54.99**

**“We provide comprehensive and affordable liability insurance coverage.”**

## Liability Insurance Products for Social Workers and Agencies

Mistakes happen—not having proper coverage doesn't have to be one of them.

### *Individual Coverage*

NASW Assurance Services (ASI) provides professional liability, general liability, and cyber liability insurance for NASW member social workers to ensure you are protected. ASI also covers students with reliable, affordable professional liability insurance.

### *Organizational Coverage*

We also provide liability coverage for social service small businesses, agencies, non-profits and schools of social work, with many options for your liability concerns.

### *Enroll now for access to the only NASW-Endorsed Liability Insurance Program*

Join the 47,000 plus members who have chosen the most comprehensive coverage for social workers, developed and overseen by social workers.

## LAW NOTE SERIES

The NASW General Counsel Law Note series provides information about legal topics of concern to the social work profession. The contents vary by subject matter but generally include relevant legal information pertaining to areas of social work practice. The information provided in these law notes can include case law, state statutes, federal regulations, legal analysis, practice tips, reference guides, and other resources that help social workers understand and adhere to their legal rights and responsibilities, as well as those of their clients.

### Social Workers and Alternative Dispute Resolution

The *Social Workers and Alternative Dispute Resolution* law note describes three methods of voluntary ADR—negotiation, arbitration, and mediation—and discusses the uses for these methods in the social work profession. Social workers have a responsibility to manage conflict in a productive manner. They are involved with conflict resolution, whether advocating for clients, delivering services to clients, resolving conflicts in employment settings, or dealing with conflict within organizations. Alternative dispute resolution (ADR) is a method of resolving disputes without litigation. ADR allows parties in a dispute to settle their differences by discussion and agreement, permitting them to actively participate in and have control over the process and the solution.

**ISBN: 978-0-87101-452-8. 2014. Item #4528. 50 pages. \$22.99**

### Social Workers and Child Abuse Reporting

The *Social Workers and Child Abuse Reporting* law note discusses the legal issues social workers confront when dealing with situations of child abuse and neglect. It provides a brief history of the federal legislation establishing mandated standards for Child Protective Services and the reporting of suspected child abuse. It surveys state statutes and case law, providing an overview of current mandatory reporting laws (an appendix summarizing each state's reporting requirements is also included). Plus it identifies the various ethical considerations social workers face in meeting their reporting obligations and discusses emerging issues related to child abuse reporting and so much more.

**ISBN: 978-0-87101-432-0. 2013. Item #4320. 126 pages. \$34.99**

### Social Workers as Expert Witnesses

The *Social Workers as Expert Witnesses* law note discusses the role of social workers as expert witnesses and reviews case law confirming their role as experts in a variety of legal settings. Social workers are frequently called to testify as experts in courts of law on a variety of subjects. Courts rely on information offered in evidence as the basis for decisions rendered, and oral testimony by witnesses is often the major source of evidence provided at a trial. Witnesses who testify as experts play a critical role in interpreting data, and explaining complex material on the basis of their training and experience.

**ISBN: 978-0-87101-434-4. 2013. Item #4344. 56 pages. \$29.99**

### The Legal Rights of Students

*The Legal Rights of Students* reviews major legal issues affecting the practice of school social workers under the multitude of jurisdictions that exercise control over public and private schools in the United States. The law note offers school social workers a compact, authoritative grounding in the legal rights and obligations of school systems, their employees, their students, and those students' families—rights that often overlap, creating ethical dilemmas for all parties.

**ISBN: 978-0-87101-425-2. 2011. Item #4252. 88 pages. \$39.99**

# LEGAL

## Social Workers and Subpoenas

*Social Workers and Subpoenas* provides practitioners with a thorough grounding in their clients' lawsuits and other legal matters that may involve them in litigations and result in subpoenas for their records. The title will help social workers better serve the needs of their clients by understanding the purpose of any subpoenas with which they are served, applying the legal and ethical rules that are relevant in their particular case, responding appropriately to the subpoena, and formulating cogent legal questions to put to attorneys.

**ISBN: 978-0-87101-431-3. 2011. Item #4313. 52 pages. \$22.99**

## Client Confidentiality and Privileged Communications

*Client Confidentiality and Privileged Communications* covers federal health privacy laws and regulations, state law standards, and practitioners' ethical obligations in the following areas: confidentiality requirements, situations in which disclosure of confidential information is required or permitted, and privilege and the release of client information in legal proceedings.

**ISBN: 978-0-87101-427-6. 2011. Item #4276. 45 pages. \$22.99**

## The Juvenile Justice System

*The Juvenile Justice System* summarizes the broad legal issues relative to social work practice within the juvenile justice system. Social workers play an important role in ensuring that the juvenile justice system makes distinctions that support the developmental differences between children and adults. *The Juvenile Justice System* provides an introduction to the resources available for social workers and their counsel in preventing juvenile delinquency and advocating for the developmentally appropriate treatment of children who are involved with the juvenile justice system.

**ISBN: 978-0-87101-416-0. 2010. Item #4160. 54 pages. \$22.99**

## Legal Rights of Children

*Legal Rights of Children* highlights the various approaches taken by states concerning how the legal status and age of a child affect the right to sue, the right to make treatment decisions concerning the child's care, the right to contract, the right to educational services, and the right to be free from abuse and neglect. The complex legal issues surrounding the determination of what constitutes a "family" in the 21st century are also reviewed, as are adoption laws, the foster care system, divorce and child custody, visitation, and support.

**ISBN: 978-0-87101-396-5. 2010. Item #3965. 119 pages. \$29.99**

**FORTHCOMING TITLES IN THE SERIES INCLUDE:**

**Social Workers and Clinical Notes**  
**Social Workers and State Licensing Laws**

## Beyond Oversight

Developing Grassroots Nonprofit Boards for Community and Institutional Change

**David P. Moxley**

What does it take to successfully develop a strong and effective grassroots nonprofit board? David P. Moxley's *Beyond Oversight: Developing Grassroots Nonprofit Boards for Community and Institutional Change* provides nonprofit and nongovernmental organizations with a uniquely authoritative answer to that question. Based on his three decades of work with nonprofit organizations and their boards—principally in the areas of organizational development

and achievement of results—Moxley's book offers a comprehensive perspective on board development that respects how individual organizations must make their own specific decisions about how governance will produce value in community service.

With its numerous examples and guidelines, this book is relevant to senior organizational administrators working directly with boards, board members themselves, students preparing for careers in community service, and activists engaging in social change efforts at the community level.

**ISBN: 978-0-87101-401-6. 2011. Item #4016. 308 pages. \$43.99**

## Effectively Managing Nonprofit Organizations

**Richard L. Edwards and John A. Yankey, Editors**

*Effectively Managing Nonprofit Organizations* describes the nuances of contemporary management skills needed in the nonprofit arena. Nonprofit organizations are structured and operated similar to for-profit organizations, distinguished only by their purpose for existence. The key to effectiveness and longevity is sustainability through dynamic leadership, technical expertise, human relations, and conceptual skills that drive all organizations. This book is a revision and expansion of two earlier books, *Skills for Effective Human Services Management* (NASW Press, 1991) and *Skills for Effective Management*

*of Nonprofit Organizations* (NASW Press, 1998). Although it is directed mostly to managers, the book also will be useful to students who are studying nonprofit or public management.

### SPECIAL FEATURES:

- Assessment tool to identify strengths and weaknesses in management roles
- Approach to galvanizing volunteers and governing boards to support organization mission
- Techniques for planning and developing multifaceted fundraising strategies
- Primer on financial management concepts and practices
- Components to planning and managing technology

**ISBN: 0-87101-369-X. 2006. Item #369X. 504 pages. \$49.99**

# MANAGEMENT

## Sustaining Our Spirits

Women Leaders Thriving for Today and Tomorrow

**Darlyne Bailey, Kelly McNally Koney, Mary Ellen McNish, Ruthmary Powers, and Katrina Uhly**

How can women claim their voice and create spaces for authenticity, integrity, and courage in leadership?

*Sustaining Our Spirits: Women Leaders Thriving for Today and Tomorrow* is a title that promises to deliver an unconventional

exploration of women in leadership. The premise of the book is based on a five-year examination of interconnectedness among women, leadership, and spirituality, involving women from a variety of sectors, backgrounds, and ages (20s–60s). Topics covered include patterns of power, social grounding, coping mechanisms, and adaptability.

**ISBN: 978-0-87101-382-8. 2008. Item #3828. 132 pages. \$24.99**

## NASW PRESS PARTNERING WITH OXFORD UNIVERSITY PRESS

## Social Work Speaks, 10th Edition

**NASW**

The 10th edition of *Social Work Speaks* is a comprehensive and unabridged collection of policies adopted and revised by the NASW Delegate Assembly in 2014. The Delegate Assembly, NASW's key policy-making body, meets every three years. The policy statements set the parameters for NASW's positions and actions on a broad range of public policy and professional issues.

*Social Work Speaks* is an unrivaled reference tool that represents the collective thinking of thousands of experienced social workers from all fields of practice. It is a first-rate introductory social policy text that will spark dynamic and valuable debates on public policy and the role of social work in effecting social change.

This edition includes 20 revised and expanded policy statements on topics ranging from affirmative action and early childhood care to health care and women's issues. All of the revised policy statements were last updated in 2005.

Social workers who want to be informed and involved in policy analysis, advocacy for social policies, or the formulation of future policy statements will find the 10th edition of *Social Work Speaks* a useful volume.

**ISBN: 978-0-87101-459-7. 2015. Item #4597. 392 pages. \$51.99**

## Forty Years in Social Work Reflections on Practice and Theory

**Christopher Rhoades Dykema**

*Forty Years in Social Work* is a personal memoir that blends a recounting of Christopher Rhoades Dykema's experience with the search for a theory of social work that helps to explain the social and psychological context of his practice. This professional work reveals many facets of Dykema's life as a social worker from the 1960s into the first decade of the 21st century. It is a testament to his commitment to the profession's need for theory building; it presents a history of social welfare over 40 years; and it links accounts of his interaction with clients to an effort to place his practice experience in the broadest

possible context. The stories are sometimes funny, sometimes tragic, and sometimes poignant, but they are always distinguished by Dykema's pursuit of the theory or theories that would best explain what he experienced.

**ISBN: 978-0-87101-443-6. 2013. Item #4436. 192 pages. \$29.99**

## Social Work Matters

The Power of Linking Policy and Practice

Elizabeth F. Hoffer and Elizabeth J. Clark, Editors

Social justice is the fuel that drives social workers and what sets social work apart from other professions. Social workers form the front line for their clients and make up the threads of society's social safety net. The strength of that net, however, depends not just on the strengths of social workers, but also on the social policies that undergird their practice, defining the horizons of possibility—for themselves and their clients—in specific situations.

In *Social Work Matters: The Power of Linking Policy and Practice*, Elizabeth F. Hoffer and Elizabeth J. Clark bring home the truth embodied in that title for practitioners and researchers in a comprehensive range of settings. The book argues that social work matters because the profession is absolutely necessary to the healthy functioning of society.

The premise for this book emerged, in part, from the breadth and depth of social work services. The chapters that Hoffer and Clark have gathered portray what different kinds of social workers do on a daily basis, opening up the world of practice—in all its intensity and gravity—so that this often misunderstood and sometimes undervalued profession can be appreciated on all levels.

ISBN: 978-0-87101-441-2. 2012. Item #4412. 360 pages. \$54.99

## Resiliency

An Integrated Approach to Practice, Policy, and Research, 2nd Edition

Roberta R. Greene, Editor

After a decade of informing students and practitioners in the field, Roberta R. Greene's seminal text on resiliency theory has been updated for a new decade with *Resiliency: An Integrated Approach to Practice, Policy, and Research, 2nd Edition*. Emerging from the ecological and systems frameworks of the profession's person-in-environment approach, resiliency theory offers social workers a perspective that is empirically based, practical, and focused on personal strengths.

Illustrated with clear examples of resiliency-based practice in a variety of settings and drawing on numerous social work approaches, *Resiliency* equips readers with specific intervention strategies to nurture and supports clients' strengths, self-efficacy, and ability to adapt to changing circumstances and heal.

The included CD can be used in social work classrooms; students and teachers alike—as well as practitioners, policymakers, and researchers—will value this update for the latest thinking regarding an important paradigm that underscores the heroic nature of human endurance and fortitude.

ISBN: 978-0-87101-426-9. 2012. Item #4269. 374 pages. \$56.99

## Narratives of Social and Economic Justice

**Roberta R. Greene, Harriet L. Cohen,  
John Gonzalez, and Youjung Lee**

*Narratives of Social and Economic Justice* answers the call from social work educators for academic resources that deal with cross-cutting issues and cover a broad spectrum of domains and specializations—gerontological social work, social policy, health, mental health, and social justice.

### SPECIAL FEATURES:

- Introductory chapters covering the four dimensions of narrative and the normative model of resiliency
- Competency-based approach to core social work practices, with emphasis on mastery of critical thinking, diversity work, and advocacy skills
- Narratives of 11 remarkable people who thrived despite discrimination and oppression
- Political and historical commentaries, review questions, and exercises accompany each narrative

**ISBN: 978-0-87101-388-0. 2009. Item # 3880. 180 pages. \$37.99**

## Incorporating Intersectionality in Social Work Practice, Research, Policy, and Education

**Yvette Murphy, Anna M. Zajicek, Adele N. Norris,  
Valerie Hunt, and Leah Hamilton**

This important book provides guidance for investigating how the social constructions of race, class, gender, age, and social orientation intersect with one another, contributing to the oppression of marginalized groups in modern society. Economic and social inequities are mediated by the social locations and lived experiences of people. The intersectionality perspective is often neglected, yet it is vital for understanding social injustice and intervening on behalf of oppressed groups.

Intersectionality constitutes a milestone in social work literature that crystallizes the most valuable aspects of social work theory and practice—its holistic perspective, system-based approach, and commitment to social justice.

**ISBN: 978-0-87101-385-1. 2009. Item #3851. 100 pages. \$36.99**

## Foundations of Social Work Practice

A Graduate Text, 4th Edition

**Mark A. Mattaini and Christine T. Lowery, Editors**

The fourth edition of *Foundations of Social Work Practice: A Graduate Text* is the best current scholarship that challenges the conventional wisdom of social work practice across all system levels—individual, family, group, organization, and community. The framework for this edition offers a coherent approach to integrating four critical perspectives on practice: ecosystems, social justice and human rights, evidence-based practice, and shared power. These perspectives are interwoven throughout the text and offer a teaching strategy on how to achieve the integration of perspectives.

*This new edition of an already excellent book provides a contemporary, nuanced portrait of our profession. Mattaini and Lowery, and their stellar coauthors, draw on new research and theory to help students and educators grasp the multiple dimensions of agency-based practice. Illustrated with graphs and vividly written, the fourth edition of Foundations of Social Work Practice makes a compelling case that professionalism, cultural competence, and social justice are inseparable from practice methods.*

Elizabeth Ann Danto, PhD  
Hunter College School of Social Work, City University of New York

**ISBN: 978-0-87101-374-3. 2007. Item # 3743. 481 pages. \$56.99**

## Self-Care in Social Work

A Guide for Practitioners, Supervisors,  
and Administrators

**Kathleen Cox and Susan Steiner**

Social workers encounter a number of unique forms of occupational stress on a daily basis. The more thoroughly they understand the stressors they face, the better-prepared social workers will be to manage them successfully. *Self-Care in Social Work* is a guide to promote effective self-care tailored to the needs of social workers, including both individual and organizational approaches. On a personal level, it goes beyond the typical prescriptions to exercise, eat well, sleep more, and get a massage or meditate. In fact, the book is based on the premise that self-care should not be an add-on activity only happening in the rare instance there is some free time. Instead, it is conceptualized as a state of mind and considered an integral part of a social worker's training.

In *Self-Care in Social Work*, the reader is taught how to approach individually oriented self-care through the development of self-awareness, self-regulation, and self-efficacy. At the organizational level, readers are guided through a process of learning about areas of match and mismatch between themselves and their agency structure and culture. The book is timely in that the economic downturn has put pressure on agencies to do more with less, which ultimately leads to stress.

**ISBN: 978-0-87101-444-3. 2013. Item #4443. 198 pages. \$34.99**

## A Guide to Essential Human Services, 2nd Edition

**Frederic G. Reamer**

The second edition of *A Guide to Essential Human Services* begins with a concise overview of human services and ways to think about locating information and resources for people who are in need. Following the introduction, the guide is divided into sections that reflect major categories of needs that may arise during a person's life.

The sections relate to specific problems (such as hunger, homelessness, unemployment, substance abuse, and mental illness), challenging time periods (such as adolescence and retirement), and special populations (such as veterans and victims of child abuse).

The newly revised guide is a "must have" for all social workers and human services professionals who provide direct services to individuals and families.

**ISBN: 978-0-87101-397-2. 2010. Item #3972. 210 pages. \$30.99**

# PROFESSION

## Values-Based Coaching

A Guide for Social Workers and Other Human Service Professionals

**Marilyn Edelson**

As the first book to be published on coaching specifically for social workers, *Values-Based Coaching* gives voice to the social work profession on a controversial topic that presents tremendous opportunities for bringing about positive change. Health care and human service professionals in other disciplines will also benefit from its theoretical grounding and practical information on coaching with diverse clientele.

Voted one of the “Top 10 Business Coaches” by *Women’s Business Boston*, a division of the *Boston Herald*, Marilyn Edelson drew upon her considerable experience as a licensed social worker and business coach in private practice to write *Values-Based Coaching*. The book presents a historical overview, business case, theoretical foundations, and practical skills pertinent to the field of coaching.

**ISBN: 978-0-87101-398-9. 2010. Item # 3989. 300 Pages. \$39.99**

## Stories of Pain, Trauma and Survival

A Social Worker’s Experiences and Insights from the Field

**Sarah E. Meisinger**

Sarah Meisinger wrote *Stories of Pain, Trauma and Survival: A Social Worker’s Experiences and Insights from the Field* for all the new social workers experiencing the trial by fire as they enter the profession. The book chronicles Meisinger’s struggle to find a balance between her own “personal agenda to ‘save the world one client at a time’ and the reality of what occurs” between social worker and client.

In response to the need for undergraduate and graduate students to hear about real-life experiences working with traumatized clients, *Stories of Pain, Trauma and Survival* is filled with anecdotal examples of social work with individuals and groups in a variety of settings that include nonprofit agencies, child welfare services, and veterans’ health care.

Each masterfully written story is followed by Meisinger’s personal and professional insights on how these experiences have informed her practice. The book is useful for classroom discussions and critical self-assessments and will be helpful to beginning and seasoned social workers alike.

**ISBN: 978-0-87101-391-0. 2009. Item # 3910. 96 pages. \$26.99**

## Interactional Supervision, 3rd Edition

**Lawrence Shulman**

Lawrence Shulman is a well-known expert on research, practice, and teaching in the field of clinical social work supervision and a contributor to the last three editions of the *Encyclopedia of Social Work*. His newly revised third edition of *Interactional Supervision* gives ample attention to the practical, day-to-day problems encountered by clinical supervisors and is particularly useful in fields such as child welfare, where frontline workers are less likely to have formal social work education.

**ISBN: 978-0-87101-394-1. 2010. Item #3941. 420 pages. \$51.99**

## What Social Workers Do, 2nd Edition

**Margaret Gibelman**

The second edition of *What Social Workers Do* provides a panoramic look at the profession in action and offers practical information about the current status of various service areas and the types of jobs available. It makes extensive use of case studies and vignettes to highlight the intersection between practice functions, practice settings, and practice areas, and to demonstrate the connection between what appear to be diverse specializations. Written in a lucid and engaging style, it synthesizes the profession's primary source materials, current research, selected case studies, and insights from a panel of experts in each of the fields of practice discussed in the book.

**ISBN: 978-0-87101-364-9. 2005. Item #3649. 365 pages. \$49.99**

## Social Work Career Development A Handbook for Job Hunting and Career Planning, 2nd Edition

**Carol Nesslein Doelling**

*Social Work Career Development* is the most comprehensive book of its kind and a superb reference for any social worker. Updated to respond to changes in the job market and the profession since the best-selling first edition, this unique handbook addresses in detail the career management and job search needs of social workers, including self-assessment exercises; strategies for researching the job market and networking; details on resumes, curriculum vitae, and portfolios; tips on selecting master's and doctoral programs; and much more.

**ISBN: 978-0-87101-363-0. 2005. Item #3630. 238 pages. \$50.99**

# NASW STANDARDS

## NASW Standards for the Practice of Social Work with Adolescents

The *NASW Standards for the Practice of Social Work with Adolescents* is designed to guide social workers in a variety of settings as they help young people become competent and healthy adults. The unique perspectives and breadth of social work practice provide systemic linkages between the social work profession and the social entities that affect adolescent development. Adequately meeting the needs of youths means engaging all systems—individual, family, and the broader community—in efforts to prevent problems and promote health and well-being.

**Item #S06. Brochure. Bulk: \$85/40. Single Copy: \$4.00.**

## NASW Standards for Social Work Practice with Clients with Substance Use Disorders

The *NASW Standards for Social Work Practice with Clients with Substance Use Disorders* (SUDs) is designed to enhance social workers' awareness, values, knowledge, skills, and methods of practice across settings, where priorities may vary greatly. The text is intended to inform social work practice and interventions with clients who have SUDs; improve the quality of treatment for clients with SUDs; and encourage social workers' awareness of the knowledge, skills, competencies, and attitudes necessary to work effectively with clients who have SUDs, their families, and other service providers.

**Item #S11. Brochure. Bulk: \$85/40. Single Copy: \$4.00.**

## NASW Standards for Social Work Practice in Child Welfare

NASW led the field in the development of best practices for social workers in child welfare. The *NASW Standards for Social Work Practice in Child Protection* (NASW, 1981) served as an initial effort to formulate standards in this important and continually evolving area of practice. This reference is a basic tool for social work practice in child welfare that might include family preservation and support, out-of-home care, family foster care, kinship care, residential group homes, adoption, independent living, child day care, adolescent pregnancy and parenting services, hospitals, and nontraditional settings such as faith-based facilities.

**Item #S08. Brochure. Bulk: \$100/40. Single Copy: \$4.00.**

## NASW Standards for Clinical Social Work in Social Work Practice

*NASW Standards for Clinical Social Work in Social Work Practice* is intended to guide clinical social workers in all clinical settings. The goals of the standards are to maintain or improve the quality of services provided by clinical social workers; establish professional expectations to assist social workers in monitoring and evaluating their clinical practice; provide a framework for clinical social workers to assess responsible, professional behavior; and inform consumers, government regulatory bodies, and others about the professional standards for clinical social work practice.

**Item #S09. Brochure. Bulk: \$85/40. Single Copy: \$4.00.**

## NASW Standards for Continuing Professional Education

Continuing education is an essential activity for ensuring quality social work services for clients. The *NASW Standards for Continuing Professional Education* provides guidance to social workers who want to match their continuing education activities with professional expectations. It also serves as a resource to assist social workers in the selection and provision of continuing education. The standards are intended for use by individual practitioners, by providers of continuing education, and by agency administrators who have responsibility for social work staff.

**Item #S04. Brochure. Bulk: \$85/40. Single Copy: \$4.00.**

## NASW Standards for Social Work Practice with Family Caregivers of Older Adults

The aging population presents social, economic, and political implications for families, the social work profession, and the global community. Social workers, other professionals, and the public increasingly recognize that advanced age is a time of continued growth and that older adults contribute significantly to their families, communities, and society. *NASW Standards for Social Work Practice with Family Caregivers of Older Adults* is designed to enhance social work practice with family caregivers of older adults and to help the public understand the role of professional social work in supporting family caregivers.

**Item #S14. Brochure. Bulk: \$85/40. Single Copy: \$4.00.**

# NASW STANDARDS

## NASW Standards for Social Work Practice in Health Care Settings

*NASW Standards for Social Work Practice in Health Care Settings* is a resource based on the consensus of expert health care social workers from across the country and is designed to enhance social workers' knowledge, skills, values, and methods to work effectively with individuals, families, health care providers, and the community when practicing in health care settings.

**Item #S10. Brochure. Bulk: \$85/40. Single Copy: \$4.00.**

## NASW Standards and Indicators for Cultural Competence in Social Work Practice

The *NASW Standards and Indicators for Cultural Competence in Social Work Practice* is designed as an extension of the standards to provide additional guidance on the implementation and realization of culturally competent practice.

**Item #S13. Brochure. Bulk: \$100/40. Single Copy: \$4.00.**

## NASW Standards for Integrating Genetics into Social Work Practice

*NASW Standards for Integrating Genetics into Social Work Practice* recognizes and responds to the expanded information on the human genome and its impact on social work practice and education. The standards are designed to enhance awareness of the skills, knowledge, values, methods, and sensitivity needed to work effectively with clients, families, health care providers, and the community in the area of genetics.

**Item #S03. Brochure. Bulk: \$85/40. Single Copy: \$4.00.**

## NASW Standards for Social Work Services in Long-Term Care Facilities

Long-term care is an increasingly important and rapidly changing component of today's social services delivery system. Long-term care services and programs have evolved into a variety of institutional and noninstitutional modalities. The *NASW Standards for Social Work Services in Long-Term Care Facilities* reflects changing practices and policies and may be regarded as a basic tool for social work practice in long-term care facilities, although practice priorities may vary among settings.

**Item #S05. Brochure. Bulk: \$85/40. Single Copy: \$4.00.**

## NASW Standards for Palliative & End of Life Care

All social workers, regardless of practice settings, will inevitably work with clients facing acute or long-term situations involving life-limiting illness, dying, death, grief, and bereavement. The *NASW Standards for Palliative & End of Life Care* will enhance social workers' awareness of the skills, knowledge, values, methods, and sensitivities needed to work effectively with clients, families, health care providers, and the community when working in end of life situations.

**Item #S07. Brochure. Bulk: \$85/40. Single Copy: \$4.00.**

## NASW Standards for School Social Work Services

*NASW Standards for School Social Work Services* reflects and promotes professionally sound school social work practice and includes standards for professional practice, professional preparation and development, and administrative structure and support. Also provided are definitions of terms and ethical principles based on social work's core values.

**Item #S02. Brochure. Bulk: \$85/40. Single Copy: \$4.00.**

# NASW STANDARDS

## NASW & ASWB Standards for Technology and Social Work Practice

The *NASW & ASWB Standards for Technology and Social Work Practice* was developed to create a uniform document for the profession. Technology has changed social work practice, offering new ways to perform services and obtain information. It is defined as any electronically mediated activity used in the conduct of competent and ethical delivery of social work services. The *NASW & ASWB Standards for Technology and Social Work Practice* is designed to serve as a guide to social workers incorporating technology into their services.

**Item #S12. Brochure. Bulk: \$85/40. Single Copy: \$4.00.**

## NASW Standards for Social Work Practice with Service Members, Veterans, & Their Families

The *NASW Standards for Social Work Practice with Service Members, Veterans, & Their Families* should be a resource to social workers serving this population in any way, including clinical social workers providing mental and behavioral health services, direct practitioners in social service agencies addressing a wide range of challenges, and advocates for this population. These standards have been created to be inclusive of social work with service members, veterans, and their families in all capacities. They are designed to enhance social workers' awareness of the skills, knowledge, values, methods, and sensitivities needed to work effectively with this population. They may also be used as a resource for other constituents, stakeholders, and client populations.

**Item #S15. Brochure. Bulk: \$85/40. Single Copy: \$4.00.**

## Best Practice Standards in Social Work Supervision

NASW and the Association of Social Work Boards (ASWB) have developed *Best Practice Standards in Social Work Supervision* to support and strengthen supervision for professional social workers. The standards provide a general framework that promotes uniformity and serves as a resource for issues related to supervision in the social work supervisory community.

**Item #S17. Brochure. Bulk: \$100/40. Single Copy: \$4.00.**

## Guidelines for Social Worker Safety in the Workplace

Unfortunately, the number and variety of people to whom social workers provide services and the variety of settings in which these services are provided have contributed to an increasingly unpredictable, and often unsafe, environment for social work practice. The *Guidelines for Social Worker Safety in the Workplace* are important to the retention and recruitment of a professional social work force. Moreover, NASW guidelines may be a helpful resource to communities; private and public agencies; and local, state, and federal policymakers invested in creating a safer work environment for social workers.

**Item #S18. Brochure. Bulk: \$85/40. Single Copy: \$4.00.**

## NASW Standards for Social Work Case Management

Social work case managers face both opportunities and challenges. With its strengths-based, person-in-environment perspective, the social work profession is well trained to develop and improve support systems (including service delivery systems, resources, opportunities, and naturally occurring social supports) that advance the well-being of individuals, families, and communities. The *NASW Standards for Social Work Case Management* are designed to enhance social work case management and to help the public understand the professional social work role in case management.

**Item #S16. Brochure. Bulk: \$100/40. Single Copy: \$4.00.**

## LET NASW PRESS BE YOUR PUBLISHER!

**NASW Press publishes quality books serving social workers and other professionals in social welfare and the human services.**

We welcome proposals on a variety of topics and seek submissions for scholarly works, textbooks, reference works, practice books, and guidebooks.

For more detailed information, visit the Author Center at [www.naswpress.org](http://www.naswpress.org) or e-mail our Acquisitions Department at [press@naswdc.org](mailto:press@naswdc.org)

# BROCHURES

## Baccalaureate Social Workers

BSW social workers have the knowledge, skills, and value base to work effectively with individuals, families, and communities. This informative brochure describes why employers should value BSWs and what distinguishes the BSW degree from other undergraduate degrees. In addition, it discusses BSW curriculum, field practicum, and legal regulations for BSWs.

**Item #A83b. Brochure. Bulk: \$100/40. Single Copy: \$4.00.**

## Choices

### Careers in Social Work

Social work is an excellent career choice for those who care about human dignity and social justice. This popular booklet describes the diversity of career options in detail and provides information about specific areas of social work, including aging, child welfare, health care social work, justice and corrections, mental health, policy and planning, international social work, and much more.

**Item #C4. Booklet. Bulk: \$125/20. Single Copy: \$12.00.**

## Clinical Social Workers in Private Practice

### A Reference Guide

formerly *NASW Guidelines on the Private Practice of Clinical Social Work*

Outlines the knowledge and skills required for effective clinical practice. Includes a definition of private practice and descriptions of important elements related to the business of practice. This useful reference guide is an excellent resource for any social worker in private practice.

**Item #A91. Booklet. Bulk: \$125/20. Single Copy: \$12.00.**

## Code of Ethics

### 55th Anniversary Edition

NASW celebrates 55 years of the *NASW Code of Ethics* with a commemorative edition. The first *NASW Code of Ethics* was adopted by the NASW Delegate Assembly on October 13, 1960. Over the last 55 years, the Code of Ethics has evolved with social, professional, and other societal developments to remain relevant and to address the needs of social workers and the protection of clients, regardless of practice setting. Today, the *NASW Code of Ethics* continues to be the standard bearer in defining and advancing professional social work values and principles. A portion of the proceeds from this commemorative edition will go to the Wichers Ethics Education Fund, which supports innovative programs that create opportunities for social workers to learn and dialogue about critical professional ethics issues, advancing ethical practice across the social work profession.

**COMMEMORATIVE EDITION**

**Item #X55. Pamphlet. Single Copy: \$7.50.**

## Code of Ethics

The NASW *Code of Ethics* is a set of standards for the professional conduct of social workers. All NASW members must affirm their commitment to abide by the *Code of Ethics*. It is essential for schools of social work and for in-service training for agencies. Now available in English and Spanish language editions.

Includes revisions to four nondiscrimination clauses as ratified during the 2008 Delegate Assembly.

**Item #X2B. English. Item #X2C. Spanish.**  
**Bulk: \$125/40. Single Copy: \$5.00.**

Also available on the NASW Web site at [www.socialworkers.org](http://www.socialworkers.org).

## Gangs & Youth A Guide for Social Workers

Gang involvement has become a serious issue in schools and communities. The *Gangs & Youth* brochure provides social workers with information on the types and demographics of gangs to help them collaborate with teachers, principals, parents, and guardians and ensure that appropriate support services are provided to all students.

**Item #K1. Brochure. Bulk: \$85/40. Single Copy: \$4.00.**

## Gerontological Social Work Aging in a New Age

As our society's aging population continues to grow, so does the demand for social workers with specialized knowledge and expertise in aging. This brochure details the importance of social workers in the field of aging and highlights the training, qualifications, and skills needed to provide the vital link between older adults and their families and the services they need.

**Item #A87. Brochure. Bulk: \$85/40. Single Copy: \$4.00.**

## The Gerontological Social Work Spectrum

In the coming years, the demand for aging-related programs, policies, and services will be at an unprecedented level. *The Gerontological Social Work Spectrum* brochure is a striking visual depiction of the breadth and scope of gerontological social work services, from work settings to job functions and groups served. It is an excellent representation of this expanding practice area for practitioners, faculty, students, and clients.

**Item #K2. Brochure. Bulk: \$85/40. Single Copy: \$4.00.**

# BROCHURES

## Making a Critical Difference... Social Workers in Child Welfare

Children and families are critical to the health and well-being of our nation. Professional social workers in child welfare help to support families, build stronger communities, and create a better society. *Making a Critical Difference* describes the specialized knowledge and skills required to meet the challenges of social work in child welfare.

**Item #C11. Brochure. Bulk: \$85/40. Single Copy: \$4.00.**

## Retiring or Closing a Private Practice? Tips to Help You Along the Way

*Retiring or Closing a Private Practice?* is an excellent reference for clinical social workers who are retiring or closing a private practice. This brochure provides suggestions on important items such as termination of services, closing documentation, and referrals.

**Item #C914. Brochure. Bulk: \$85/40. Single Copy: \$4.00.**

## School Social Workers Enhancing School Success for Students

School social workers are the link between home, school, and community. This revised brochure explains the role of social workers as members of the educational team and highlights the training, regulations, credentials, and standards that define the specialty.

**Item #A84. Brochure. Bulk: \$85/40. Single Copy: \$4.00.**

## Social Work and International Development A Global Role for Social Workers

Social workers have long worked in the international arena using their clinical and analytical skills to address the needs of people affected by trauma or crisis. This informative brochure examines careers and areas of practice in international social work that go beyond these traditional roles and the professional standards, qualifications, and expertise necessary to be effective.

**Item #A89. Brochure. Bulk: \$85/40. Single Copy: \$4.00.**

## Starting a Private Practice? Most Frequently Asked Questions by NASW Members

*Starting a Private Practice?* is a good resource for clinical social workers beginning a private practice. It provides answers to pertinent questions to help get the clinical social worker started and lists available resources to help.

**Item #C908. Brochure. Bulk: \$85/40. Single Copy: \$4.00.**

## There Are Many Doors to Recovery Social Workers Can Be the Key

Social workers provide a range of alcohol and other drug prevention and treatment services. This informative brochure describes the roles and various practice settings of social workers specializing in alcohol and other drug problems and highlights the requisite training, qualifications, and skills.

**Item #A86. Brochure. Bulk: \$85/40. Single Copy: \$4.00.**

## Your New Career in Social Work You've Got the Power!

The health and welfare of social workers are as important as the knowledge, skills, and abilities they bring with them to the workplace. In fact, self-care is part of good "practice management." This concise brochure examines the stress factors affecting social workers and offers guidance on how to balance your professional and personal life to avoid burnout.

**Item #A88. Brochure. Bulk: \$85/40. Single Copy: \$4.00.**

## Youth Bullying... How Social Workers Can Help

Youth bullying is not a normal part of childhood or youth development. Examining this aggressive behavior from a social work perspective, both in terms of youths who bully and those who are victims of bullying, *Youth Bullying* suggests prevention and intervention strategies focused not only on the child or youth, but on environmental and relational factors as well.

**Item #A90. Brochure. Bulk: \$85/40. Single Copy: \$4.00.**

# DVDS

## Are Ethics and Contemporary Social Work Practice Compatible?

During this information-packed three-hour presentation, learn from social workers from a variety of practice settings and viewpoints as they tackle some of the most compelling ethical issues facing contemporary social work practice—managed care, cultural competency, worker–client boundaries, risk management, and ethical decision making in agency settings.

**Item #V14. 3 hours. DVD. \$29.99**

## Legacies of Social Change 100 Years of Professional Social Work in the United States

For 100 years social workers throughout the United States have been making a difference in people’s lives. Now the stories of social work’s first century are gathered together in a video, *Legacies of Social Change: 100 Years of Professional Social Work in the United States*. Presented through archival photos and footage, insightful commentary, and interviews with social workers and social work historians, social work’s history comes alive.

**Item #V16. 55 minutes. DVD. \$29.99**

## Professional Choices Ethics at Work

In this DVD, social work practitioners, educators, and administrators discuss ethical social work practice. Case scenarios highlight the difficulties in judging between sound ethical practice and professional misconduct as participants talk candidly about the ethical issues that can arise in day-to-day practice. Developed by the NASW Office of Ethics and Professional Review and produced by NASW Press and the NASW Insurance Trust, the DVD is useful for practitioners, faculty members and students, agency administrators, and licensing boards.

**Item #V2. 40 minutes. DVD. \$29.99**

## What Do Social Workers Do?

**Charles Kuralt**

Former CBS News correspondent Charles Kuralt provides an astute and upbeat overview of the social work profession. Kuralt wrote and produced the DVD for the School of Social Work at the University of North Carolina at Chapel Hill. *What Do Social Workers Do?* reflects a genuine respect for the profession and brilliantly depicts both its altruistic and its pragmatic aspects. Extremely useful for recruiting students into the profession.

**Item #V1. 21 minutes. DVD. \$29.99**

## Social Work

*Social Work*, established in 1956, is the premier journal of the social work profession. Widely read by practitioners, faculty, and students, it is the official professional journal of the National Association of Social Workers. It is provided to all NASW members as a membership benefit.

*Social Work* is dedicated to improving practice and advancing knowledge in social work and social welfare. Its articles yield new insights into established practices, evaluate new techniques and research, examine current social problems, and bring serious critical analysis to bear on problems in the profession. Practice topics include HIV/AIDS, health care, aging, substance abuse, cultural competence, and more. Major emphasis is placed on social policy and the solutions to serious human problems. Professional issues—such as pay equity, ethics, privatization, supervision, and malpractice claims—are addressed.

**DIGITAL DELIVERY**

**NASW MEMBERSHIP BENEFIT!**

### SPECIAL FEATURES:

- Editorials and commentary
- Wide-ranging articles on emerging issues
- Practice Updates and a “Letters” section to promote dialogue

*Social Work* is published quarterly in January, April, July, and October. The annual subject–author index appears in the October issue.

*Editor-in-Chief: Tricia B. Bent-Goodley, PhD, Howard University, Washington, DC*

**ISSN: 0037-8046. 7" x 10". Estimated pages: 96 per issue**

ESSN: 1545-6846      Subscription Rates—See page 58

## Children & Schools

*Children & Schools* is a trusted tool for those who provide critical social work services in education for children. The journal publishes articles on innovations in practice, interdisciplinary efforts, research, program evaluation, policy, and planning. Topics include student–authority relationships, multiculturalism, early intervention, needs assessment, violence, and ADHD. *Children & Schools* is a practitioner-to-practitioner resource.

### SPECIAL FEATURES:

- Showcases successful intervention approaches
- Covers programs and practice models that work in schools and communities
- Guides for developing relevant courses and curricula

*Children & Schools* is published quarterly in January, April, July, and October. The annual subject–author index appears in the October issue.

*Editor-in-Chief: Martell L. Teasley, PhD, University of Texas, San Antonio*

**ISSN: 1532-8759. 7" x 10". Estimated pages: 64 per issue**

ESSN: 1545-682X      Subscription Rates—See page 58

# PERIODICALS

## Health & Social Work

For 20 years, human services professionals have relied on *Health & Social Work* for the latest advances in areas such as aging, clinical work, long-term care, oncology, substance abuse, depression, and maternal health. Articles also cover research, policy, specialized services, quality assurance, in-service training, and other topics that affect the delivery of health care services. Health care educators, hospital administrators, mental health care providers, and other health care practitioners, all of whom have published widely, review manuscripts and develop policy for *Health & Social Work*.

### SPECIAL FEATURES:

- Descriptions of practice innovations and action research
- Reports on current legislative and political issues that have implications for social work practice
- Interdisciplinary focus

*Health & Social Work* is published quarterly in February, May, August, and November. The annual subject–author index appears in the November issue.

*Editor-in-Chief: Stephen H. Gorin, PhD, Plymouth State University, NH*

**ISSN: 0360-7283. 7" x 10". Estimated pages: 64 per issue**

ESSN: 1545-6854      Subscription Rates—See page 58

## Social Work Research

*Social Work Research* publishes exemplary research to advance the development of knowledge and inform social work practice. Widely regarded as the outstanding journal in the field, it includes analytic reviews of research, theoretical articles pertaining to social work research, evaluation studies, and diverse research studies that contribute to knowledge about social work issues and problems.

### SPECIAL FEATURES:

- Reports on research findings
- Editorials to stimulate useful dialogue
- Information on evidence-based practice and use of research

*Social Work Research* is published quarterly in March, June, September, and December. The annual subject–author index appears in the December issue.

*Editor-in-Chief: James Herbert Williams, PhD, University of Denver*

**ISSN: 1070-5309. 7" x 10". Estimated pages: 64 per issue**

ESSN: 1545-6838      Subscription Rates—See page 58

## Social Work Abstracts

For more than 50 years, NASW's abstracting service has been the starting point for literature searches in social work and social welfare. *Social Work Abstracts* reviews over 500 U.S. and international journals and publishes approximately 500 abstracts in each issue. Abstracts originally published in other languages are translated into English.

### SPECIAL FEATURES:

- Classification scheme under four major subject categories—Social Work Profession, Theory and Practice, Areas of Service, and Social Issues/Social Problems
- Subcategories within major topics
- Author and subject indexes in each issue
- Annual cumulative author and subject indexes

*Social Work Abstracts* in print form can be used alone or as a guide to online databases with our current hosts, Ovid and EBSCO. Through our electronic partners, users are able to access abstracts to social work journal articles and citations of social work literature.

Ovid's electronic offering is listed as Social Work Abstracts PLUS (SWAB+). Coverage is 1965–present. To request trial access to SWAB+ on the Internet Delivery Program, e-mail a request to [info@ovid.com](mailto:info@ovid.com). For more information on SWAB+, call Ovid Technologies at 800-343-0064 or visit [www.ovid.com](http://www.ovid.com).

EBSCO's electronic offering is listed on the EBSCOhost® platform. Coverage is 1965–present. To request trial access and find more information about this EBSCO database, call 800-633-4604 or visit [www.ebscohost.com](http://www.ebscohost.com).

*Social Work Abstracts* is published quarterly in March, June, September, and December.

**ISSN: 1070-5317. 7" x 10". Estimated pages: 96 per issue**

Subscription Rates—See page 58

## NASW News

*NASW News* began publishing in 1955 and is the official newspaper of the National Association of Social Workers. The *News* is a primary information vehicle for practitioners, administrators, researchers, faculty, and students, including the Association's more than 130,000 members. Its readers also include members of the U.S. Congress, governors, major daily newspapers, international associations of social work, social welfare agencies, libraries, and schools of social work.

Articulate and authoritative, *NASW News* has won many awards for its quality journalism and scope of coverage. It offers in-depth news and features developments in social work practice, public policy, U.S. legislation and regulations, social research, and NASW programs and events.

The "Marketplace" section features a listing of job openings for social workers, a special conference and workshop segment, and other advertising of interest.

*NASW News* is published monthly except August and December.

**ISSN: 0027-6022. 10¾" x 15¾". Estimated pages: 16–20 per issue**

Subscription Rates—See page 58

## Looking for a Publisher? Look to NASW Press!

NASW Press publishes journals, books, reference works, and other scholarly and technical materials for professional social workers.

The Press is always looking for new manuscripts in all areas and is particularly interested in book proposals.

We offer a competitive edge in several ways:

- **Rigorous standards**—All books undergo a thorough peer review process.
- **Superb editing**—Outstanding professional editors help authors present their work in the best possible way.
- **Attention-getting design**—NASW Press book designs are unique and eye-catching.
- **Excellent financial arrangements**—NASW Press pays competitive royalties and, unlike many publishers, does not deduct indexing costs.

- **Personal attention**—A project manager works directly with each author, and senior staff members oversee each project.
- **Sales and marketing**—NASW Press works creatively to sell as many copies as possible and markets to a diverse, international audience.

NASW Press adheres to the highest standards of quality in all aspects of book publishing. Join the other outstanding authors on the NASW Press list—contact Acquisitions Editor Stella Donovan at [sdonovan@naswdc.org](mailto:sdonovan@naswdc.org) to submit a book proposal or to obtain information about our book proposal submission guidelines.

### Individuals

Payment must accompany all orders.

### Institutions, Libraries, Bookstores

Payment must accompany all periodical orders and all book orders of \$50.00 or less unless otherwise denoted by NASW.

**PURCHASE ORDERS** for all billed orders must be in hard copy (facsimile acceptable). Verbal purchase order numbers will not be accepted.

**MAKE CHECK OR MONEY ORDER PAYABLE** to NASW Press in U.S. funds. Do not send cash. All credit card orders must include account number, expiration date, and signature. MasterCard, VISA, American Express, and Discover accepted.

**OVERPAYMENTS** will first be applied to any outstanding account balances. If there are no outstanding balances on account, overpayments will only be refunded for amounts of more than \$15 and will be refunded within sixty (60) calendar days from receipt of order.

**ON ACCOUNT CREDIT BALANCES** resulting from book returns must be used for a purchase within 120 calendar days of original invoice date. If the credit is not used within the 120 calendar day time period, the credit will expire and no longer be available for use.

## SHIPPING AND HANDLING

Orders that do not include appropriate shipping and handling will be returned.

**MINIMUM SHIPPING AND HANDLING CHARGE IS \$4.95.**

### Domestic

All U.S. orders are shipped UPS ground or best service as determined by our warehouse manager unless another option is specified. Most orders are shipped within 72 hours. Transit time is an additional 2–6 business days for ground service. Next day and second day orders will be shipped the same day if the order is received by 12:00 p.m. Delivery for all orders is dependent upon product availability.

### Shipping Charges:

#### Books, DVDs, & Brochures

- \$0.00–\$41.50—Add \$4.95 minimum shipping fee
- \$41.51–\$100.00—Add 12% of total order
- Orders over \$100—Add 7% of total order
- RUSH shipping—Add \$5.00 handling fee

#### Journals

No postage fee for periodicals delivered in the U.S. **FOR RUSH SERVICES, call 800-227-3590 for actual charges that apply.**

### International

Customs: There is a strong likelihood that your package(s) will be subject to custom fees and import duties of the country to which your package is shipped. You must pay those additional charges. NASW Press has no control over these charges and cannot predict what they will be. NASW Press does not control the length of time it takes to clear customs. You should contact your local customs office for additional information. In addition, when you order from NASW Press, you are considered the importer of record and must comply with all laws and regulations of the country in which you are receiving the goods.

**DELIVERY:** Most orders are shipped within 72 hours depending on product availability. The approximate transit time for International Air is an additional 7–21 business days. The approximate transit time for International Surface is an additional 2–12 weeks.

### Shipping Charges:

#### Books, DVDs, & Brochures

- Canada—Add 17% of total charges
- Other International—Add 22% of total charges

#### Journals and NASW News

Journals shipped overseas are sent by air for faster service.

- Canada and Other International—Add \$27 to each journal subscription and \$20 to each *NASW News* subscription.

# ORDERING INFORMATION

## RETURNS

All returns should be shipped to:

**NASW Press**

**Attn: Returns Department**

**1650 Bluegrass Lakes Pkwy.**

**Alpharetta, GA 30004**

### Individuals

Individual book buyers have twenty-one (21) calendar days from the date of the original invoice to return a book to NASW for a refund of the purchase price. The purchaser is responsible for all shipping costs unless NASW made an error. Books must be returned in resalable condition. When returning merchandise, indicate the reason on a copy of the original invoice and ship via a traceable method to the address shown on this document.

### College or University Class Cancellations

NASW Press allows 100% return and credit for all books ordered for a college or university class that has been cancelled.

Written proof of class cancellation on college or university letterhead is required in order to process returns.

### Institutions, Libraries, Bookstores

- No more than 50% of an order may be returned.
- Only 50% of any item on an invoice may be returned.
- Returns must be received no earlier than 90 days or later than 180 days from original invoice date.
- No cash refund for returns. Merchandise credit only. A credit memo will be issued confirming receipt of the returned items and the credit amount.
- Credit must be used within 120 days of original credit memo date.
- A 20% restocking fee will be applied on all returns.
- Books must be unmarked and in resalable condition.
- Postage/freight must be paid by purchaser.
- An NASW invoice must accompany all returns.
- Denied returns will be handled as follows:
  - a) If consignment shipping arrangements ARE in place, denied returns will automatically be returned to the purchaser at the purchaser's own expense.
  - b) If consignment shipping arrangements ARE NOT in place, denied returns will be held for a period of 60 calendar days to allow for call tag pick up. If not claimed within this time period, purchaser will forfeit rights to the returned quantities.
- NASW will not be liable for returns or denied returns lost in transit.

DAMAGED ITEMS must be reported to NASW Press within 30 days of the invoice date to arrange for proper handling. No credit will be given for items returned after 30 days. Shipping charges for damaged items returned without permission will not be reimbursed.

### VIDEOTAPES, AUDIOTAPES, AND SOFTWARE PACKAGES CANNOT BE RETURNED.

No credit will be given for late returns or returns that do not meet the criteria.

### EXAMINATION AND DESK COPIES

Exam copies of NASW Press books are available to faculty on a 60-days-on-approval basis. Limit: 3 books for each course. The *Encyclopedia of Social Work*, *The Social Work Dictionary*, *Code of Ethics*, DVDs, Standards and brochures are not available as exam or desk copies.

Written requests for exam and desk copies must be on university letterhead and addressed to:

**NASW Press**

**Attn: Marketing**

**750 First St., NE, Suite 800**

**Washington, DC 20002**

Or, you may download the "Textbook Examination Form" from our Web site at:

[www.naswpress.org](http://www.naswpress.org).

An invoice will accompany your exam copy. During the 60-day examination period, you must either (1) ADOPT THE TITLE, retaining the exam copy and sending the original invoice with a request for multiple copies to your university bookstore, and copying NASW Press; (2) PAY THE INVOICE if you wish to keep the book but not adopt it for your classroom; or (3) RETURN THE BOOK with the original invoice, unmarked and in salable condition. Exam copies should be returned to:

**NASW Press**

**Attn: Returns Department/Exam Copy**

**1650 Bluegrass Lakes Parkway**

**Alpharetta, GA 30004**

### INDIVIDUAL CLASSROOM ADOPTIONS:

Desk copies will be sent upon written request to individual instructors who adopted an NASW Press title but did not receive an exam copy of the book. Proof of university bookstore order required.

### MULTIPLE CLASSROOM ADOPTIONS:

Up to 5 desk copies available upon written request by an ordering contact person identified by the university. Instructor names, total number of desk copies, and proof of university bookstore order required.
