The Martin Luther King Jr. Global Day of Service is a project of the Union of Overseas Voters launched in 2014 to promote international celebration of Dr. King's life and legacy with a day of humanitarian service observed around the world.

### Speakers

#### Pam Pappas Stanoch

Expert in cross-cultural communication, former translator-interpreter in Rwanda, founder and CEO of Athena Group Int'l, a consultancy for international business development, and member of the board of directors of the charity Books For Africa.

#### Pap Ndiaye

Professor of North American history at Sciences Po, author of "Histoire de Chicago" and "Les Noirs américains : En marche pour l'égalité" among others, former Fulbright Scholar, cofounder of the Cercle d'action pour la promotion de la diversité en France (CAPDIV).

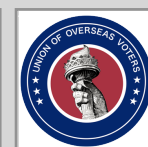

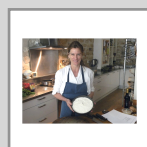

A reception celebrating the first

# Global MLK Day

A global day of citizen action and volunteer service
