## WINDSOR'S WAY

by Tony Windsor

*'His common sense, decency and love of our nation, particularly the land that lies beyond the capital cities, shines through on every page.'*  
—**JULIA GILLARD**

*'Both a political memoir devoid of party ideology and a common-sense guide to getting the best democratic outcomes.'*  
—**CHRIS SALIBA, BOOKS+PUBLISHING**

Traitor or saviour? Tony Windsor has been called both in his 22-year political career but never more often than when he supported Julia Gillard to form government in 2010.

Born and bred in north-west New South Wales Tony has held the balance of power in state and federal parliaments for nearly a third of his public life. He has always stood as an independent, believing it was the only way he could achieve the attention country voters deserved from the major parties.

*Windsor's Way* reveals Tony Windsor's courageous political path. He was the only National member to move a no-confidence motion against its leader. He undertook a 17-day assessment period of what Tony Abbott and Julia Gillard offered following the indecisive election in 2010 and seized the opportunity of the subsequent hung parliament.

By staying true to his values and beliefs in difficult and challenging times Tony Windsor has come to stand for integrity and decency in Australian politics.

**Tony Windsor** spent 22 years as an MP. He is a primary producer and has lived near the town of Werris Creek his whole life where he operates the property 'Cintra'. He is married to Lyn and they have three children, Andrew, Kate and Tom.
