DANGEROUS TO KNOW An Australasian Crime Compendium

By James Morton and Susanna Lobez

From the bestselling authors of Gangland Australia

Following the success of their bestselling *Gangland Australia*, James Morton and Susanna Lobez turn their attention to crime and criminals, both organised and disorganised, in Australia and New Zealand over the last century.

Dangerous to Know documents murderers known and not so well known, conmen and their victims, street gangs of the early twentieth century, crime lords of the 1920s, dock warlords of the 1970s, bikers, sex offenders and the drug gangs of today, as well as the wrongly accused and wrongly convicted

They're all here, as well as the police, lawyers and judges who have tried to deal with them.

James Morton, a former defence lawyer in England, is one of Britain's leading experts on crime, and the author of more than fifty books, including the bestselling *Gangland* series.

Susanna Lobez, actor-turned-barrister-turned-broadcaster, has been an ABC specialist legal broadcaster on *The Law Report* (radio) and *Law Matters* (TV). She has written feature articles for *The Age* and columns for the *Sunday Herald Sun*.

Together they have written nine books for MUP.
