LEGAL ADVICE: STOP & SEARCH

Before a search you must be told the name and station of the searching officer; the reason you are being searched; and what power you are being searched under. You do not have to give your name and address or answer questions under any stop and search power.

GBC/LDMG Legal Observers are independent volunteers on the demo to gather evidence on behalf of anyone arrested and to counter police intimidation and misbehaviour.

This bustcard was paid for by donations from people who have sued the police. For more information see the Legal Defence and Monitoring Group web site:
