ADDITIONAL INFORMATION

To: Prospective Members of the European Sports Security Association (ESSA)

The European Sports Security Association (ESSA) is a Brussels based not for profit association set up by a group of the leading European online sports betting operators in Europe. The object of ESSA is to operate an Early Warning System (EWS) and communicate any irregular betting activities or possible insider betting to the Governing bodies or Sports Federations. To this end ESSA has Memorandums of Understanding with all of the major sports governing bodies in Europe and the USA. ESSA's aim is to supply critical information to the governing bodies or sports regulators within one hour of any alert being activated

To better assess if to or to wha further contribute to acheive t		tive member is able to contribute to ESSA	A's policies and code of conduct, and
