

## Donations Acceptance Program

### Large-Scale Donation Proposal Outline

This outline is intended to provide a recommended framework from which to develop a large-scale donation proposal for consideration under the CBP Donations Acceptance Program (DAP). The CBP DAP defines large-scale proposals as those where the estimated upfront costs are expected to exceed \$3 million, and generally speaking, are of moderate to significant size, scope and complexity.

#### I. Proposal Background & Scope

Please describe the border-related need and/or challenges that your proposal seeks to address and the impact of not addressing such need and/or challenges including any relevant study information or other past, current or projected data that supports your proposal.

Please also describe, in as much detail as you can reasonably provide, the scope of your donation including estimated costs, proposed concept of operations, tolling strategy information (if applicable), proposal goals and objectives, and any other relevant information that you feel should be considered in evaluating your proposal.

#### II. Operational Implications

To the best of your ability, please address each of the following criteria in describing the operational implications of your proposal. These criteria including a non-exhaustive list of example evaluation factors and the full DAP Framework can be found at [cbp.gov/dap](http://cbp.gov/dap).

- Operational Impact
- Operational Benefits
- Funding Strategy
- Health & Safety Requirements
- Economic & Community Benefits
- Community Support
- Other Agency Support for Operations
- Project Duration & Timelines

#### III. Technical Implications

To the best of your ability, please address each of the following criteria in describing the technical implications of your proposal. These criteria including a non-exhaustive list of example evaluation factors and the full DAP Framework can be found at [cbp.gov/dap](http://cbp.gov/dap).

- Financial Feasibility
- Legal Implications
- Real Estate Implications
- Environmental & Cultural Resource Implications
- Technical Feasibility
- Planning Implications
- Proposal Support

#### IV. Appendices/Exhibits

Please include as you feel appropriate, any additional documentation in support of your proposal including site drawings and schematics, aerial maps, traffic studies and assessments, letters of support, etc.
