Dear Alan,

Thank you for your letter of 2 June. Alan, you have an extraordinary ability of capturing and enunciating the opinions of the majority on so many issues.

This of course annoys those who have a different agenda. I suspect it is extremely irritating to them that you do it so well.

Hence in parts of the media and our academic institutions reference to your programme is greeted in the way I suggested. Which, I am sure, does not concern you greatly.

Keep up your considerable contribution to the widening of our national debates.

David
