Dairy Soft

Summer Pudding Tartlets

Makes 18

2 cups plain flour
 2 tablespoons icing sugar
 3/4 cup (185g) Devondale Dairy Soft
 1 egg
 1 1/2 tablespoons cornflour
 300g mixed frozen berries, defrosted
 1/2 cup caster sugar
 egg, lightly beaten, extra
 icing sugar, to serve

Place the flour, sugar, Devondale Dairy Soft and egg in a food processor and blend until the mixture comes together to form a ball. Wrap in plastic wrap and chill for 30 minutes. Combine cornflour, berries and sugar in a saucepan and stir over low heat until thick. Cool. Roll out pastry between two sheets of baking paper until 5mm thick. Cut 6 cm rounds with a cutter and line the bases of 24 x 1 tablespoon round bottomed patty pans. Fill shells with berry mixture and then cut 5cm rounds for the lids. Ease lids over berries and press edges together to seal. Brush with extra beaten egg and bake at 180°C for 15-20 minutes or until golden. Allow to cool slightly before removing from pan. Dust with icing sugar.

Note: Recipe tested using 50g eggs and Australian Standard 250ml cup and 20ml tablespoon measures.
