

Why Join ACT?

Why? ACT stands at the forefront of a movement that has shaped our nation as free trading, property owning, business building, charitable and community-conscious. From the edge of the earth we have built a unique and successful nation, much of it due to the same principles that ACT promotes.

The principles of a free society are often counter-intuitive, and it's fair to say people don't always rush to thank us for promoting them. Nevertheless we know they are critical to our nation's freedom and prosperity. There's no virtue in just going along to get along, we want to raise the bar.

That's why we're asking you to invest in ACT, to join a noble minority that has championed a New Zealand strong and free for as long as our country has existed.
