

***TOWSON UNIVERSITY DEPARTMENT OF ATHLETICS
ANNUAL REPORT 2014-15***

The 2014-15 athletics year was one of great accomplishment both on and off the field for the Tigers.

Towson captured a pair of CAA Championships with men's lacrosse winning their second title in three years, and women's swimming and diving claiming their third straight conference crown.

Additionally, seven Towson student-athletes earned All-America recognition, five individuals made NCAA appearances, three Tigers earned CAA Athlete of the Year awards and three head coaches garnered recognition as the Coach of the Year in their conference.

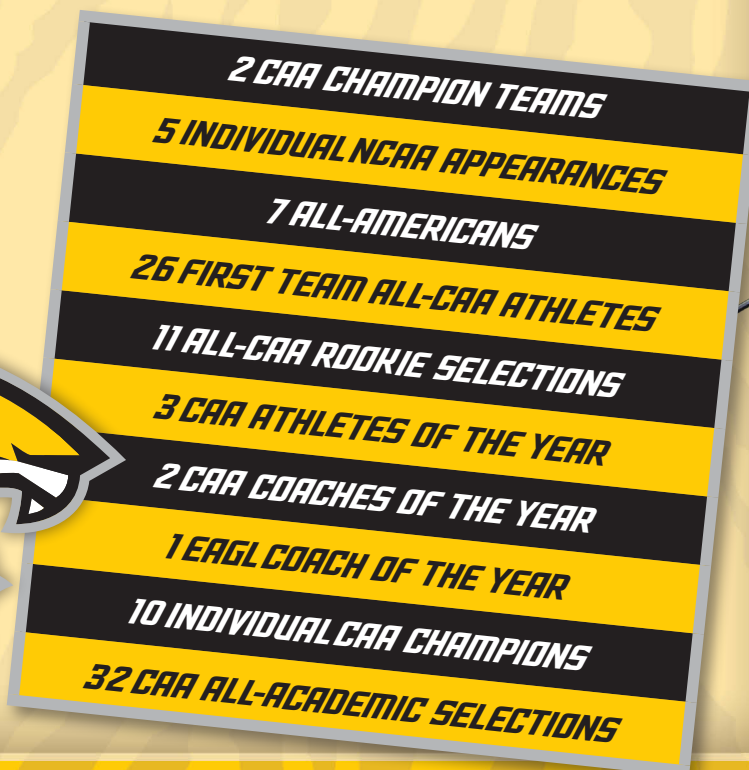

The 2014-15 school year was one of the best in Towson history in the classroom. A remarkable 14 of our 19 teams ended the year with a cumulative grade-point-average over 3.00. We saw 50 student-athletes named to the Dean's List with a 3.5 or higher GPA, 277 student-athletes had a 3.0 GPA or better during the fall semester and 280 boasted a GPA over 3.0 in the spring.

We're also extremely excited about the recent unveiling of our Towson Athletics Strategic Plan. "Building Greatness" will serve as the blueprint for everything that the athletics department will do over the next five years. It explains in detail our vision, mission and core values that will lead us to strive for greatness.

Looking forward to seeing everyone in the fall and go Tigers!

Sincerely,

Tim Leonard
Director of Athletics
