

# GEKKO TAIL

Create your own lizard tail just like Gekko!

## YOU WILL NEED

- 1 x Pair of tights  
(Green if you can find them!)
- Some spare socks
- Different coloured felt
- Fabric glue
- Scissors

## TOP TIP!

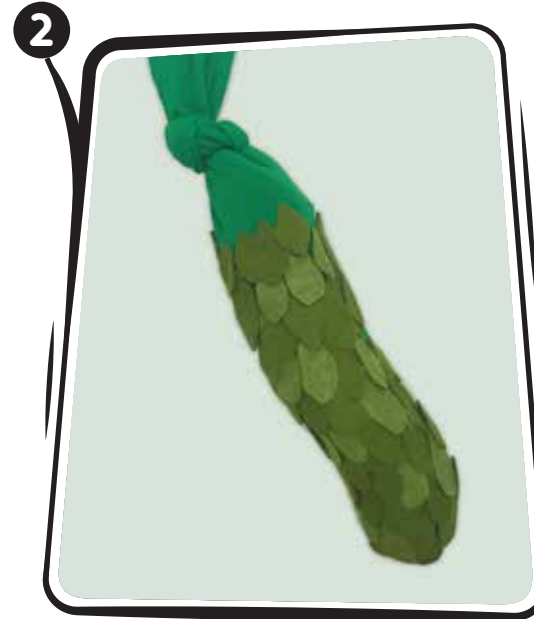

If you've got a green T-shirt and some green trousers or leggings, put this on to complete your Gekko costume!

Get the Gekko mask on the official PJ Masks Facebook page!

Take a pair of tights and stuff one leg with some spare socks.

Decorate your tail with fabric glue and coloured felt to create a lizard like texture.

Tie the top of the stuffed leg and then tie the other leg around your child's waist.
