Director of Development

The Diocese of Brentwood seeks to appoint a full time Director of Development for a three-year fixed period from March 2017 or before. During this time the Diocese will be going through a time of discernment, decision making and change management as we seek to optimise use of our resources to promote the spread of the Gospel and to offer the best possible pastoral support to the Catholic population.

The Diocese's "Stewards of the Gospel" initiative has already seen the appointment of a body of talented lay people who will work within every parish to develop and implement a plan for evangelisation.

The Director of Development will be responsible for: the design and management of a diocesan change plan which will provide a road-map from engagement and discussion through to discernment and implementation involving clergy, Stewards of the Gospel, lay people and other stakeholders; liaising with clergy and the Stewards to create robust plans regarding the allocation of resources to best effect over the next twenty years; working closely with clergy and laity across the Diocese to manage and guide the sensitive process of change.

The following skills and attributes will be required: a practicing, prayerful and committed Catholic with an interest in and experience of evangelisation ; an understanding of the particular cultural and geographical context of our Diocese, both as it is now and as it is likely to develop over the coming years; experience and expertise in project management; experience and expertise in communicating across the social and cultural spectrum; a track record of success in managing change, with both sensitivity and determination, in a complex and diverse organisation.

Salary negotiable depending on experience. Closing date for applications 25 November, 2016. Interviews Monday 5 December.
