Beautiful long sandy beaches and calm swimming lagoons within the eef: there will be a favourite spot for everyone. Enjoy the excitement of rugged sections of trail, but be aware of seasonal access in high seas.

#### Ngank Wen Bidi – TRAIL COMING SOON! (1km currently open) Explore West End (7.6km one way, 3-4hrs)

A marine wildlife haven! New Zealand fur seals can be seen from the viewing platform at Cathedral Rocks. The West End boardwalk is a great place to spot dolphins, and the seasonal migration of humpback whales!
