

Belly of the Beast a Photo exhibit **Photos by Bill Hackwell**

Come view these rare photos of people in action, struggling against an oppressive government. Bill has documented the struggle of people for over 25 years. His photos have been in national and local newspapers. Bill's photos have appeared in Worker's World newspaper, as he is a member of A.N.S.W.E.R.. This exhibit is a part of an exhibit that will open May 26, 2006 in Havana Cuba. Don't miss it.
