

Photo#1 Jay Hutton: Older brother of Lil Bobby Hutton. Jay was a Party supporter also.

Photo#2 Stephen Shames and Billy X, photo taken @UC Berkeley.

I have known Stephen for a long time. I remember when he was a student and lived a few blocks from National HQ's. Stephen's photos can be found in his book "Black Panthers". He now lives in NY. Stephen has more photos of the BPP than anyone I know of. I have been to his house in Brooklyn where I saw hundreds and hundreds of photos. Stephen is a good person and has always supported the BPP. He has many good stories about the BPP.
