

## PRESS RELEASE

# A New Route begins from Ho Chi Minh to Sihanoukville making it only 2 Stops to enjoy Song Saa

---

**17th June 2016:** Cambodia Angkor Air will inaugurate flights between Sihanoukville in Cambodia and Ho Chi Minh City in Vietnam 17 June. The new five weekly flights will operate on Tuesday, Thursday, Friday, Saturday and Sunday using a 70-seat ATR-72 aircraft.

Flights will depart from Ho Chi Minh City at 1450 and arrive in Sihanoukville at 1550. The flight time is one hour. This flight schedule ties in well with Song Saa's Private Boat transfers (45 mins) to and from Sihanoukville Port which is located a 20-minute car ride from the Airport. On the return leg of the journeys guests will depart Sihanoukville at 1240 and arrive in Ho Chi Minh City at 1340.

This is a key milestone for travellers to Song Saa opening access for travellers from more than 20 combined long haul destinations and regional cities to get to Cambodia's pristine coastline in just 2 stops. Long haul origins include Paris, London, Frankfurt, Moscow, Auckland, Sydney, Melbourne, Abu Dhabi, Dubai and Doha and regional access opens from key cities including Tokyo, Hong Kong, Singapore, Seoul, Bangkok, Kuala Lumpur, Guangzhou, and Shenzhen.

*"We are delighted that the Ministry of Tourism has opened this route in the hope to encourage international tourists to visit coastal areas and ecotourism destinations such as Song Saa and to showcase the country's incredible diversity and hidden coastal gems."* says Karen Merrick, General Manager of Song Saa Private Island

## About Song Saa

Song Saa's flagship five-star property, Song Saa Private Island, is Cambodia's first private island resort, setting new benchmarks for luxury and sustainability in the region. This international award-winning property has established Song Saa as a global brand and features 27 luxurious villas built with sustainable materials and the deepest respect for the environment.

Song Saa Private Island works hand-in-hand with the Song Saa Foundation towards a shared goal of protecting the environment, the community and culture of each of the locations in which Song Saa operates. Song Saa's vision is to take a leadership role in creating sustainable luxury resorts in emerging Southeast Asia.
