## Application for the Grant of a Proprietary Racing Business Licence pursuant to section 18 of the Racing (Proprietary Business Licensing) Act 2000

[insert name and ACN/ARBN or other identifying number]

(“**the Applicant**”)

a body corporate, hereby makes application to the Gaming Supervisory Authority (“**the Authority**”) for the grant of a proprietary racing business licence pursuant to section 18 of the *Racing (Proprietary Business Licensing) Act 2000* (“**the Act**”).

### ACKNOWLEDGMENT

The Applicant acknowledges and agrees:

- (a) that pursuant to section 19 of the Act that the Authority must not recommend the grant of the licence unless satisfied that the applicant is a suitable person to carry on the licensed business and that in assessing a person’s suitability the Authority must carry out the investigations it considers necessary to enable it to make an appropriate recommendation or decision;
- (b) that the Authority may require such further information as is necessary to fulfil the requirements of the Act in respect of an assessment of Applicants;
- (c) that the Authority may determine to require an Applicant to make specified payments towards the costs of any suitability assessment both before the investigation begins and during the course of the investigation, that such determination will be at the sole discretion of the Authority and that, if such payment is not made, the Authority may suspend or discontinue the investigation;
- (d) that the grant of a proprietary racing business licence (other than an interim licence) is contingent on the Applicant entering into an approved licensing agreement with the Minister responsible for the Act, and that the consent of the Authority is a pre-condition to the operation of such an agreement;
- (e) that the decision to grant of proprietary racing business licence is a discretionary government decision—which discretion may be withheld even in circumstances where the Authority recommends that a licence be granted.
