IF DAMAGED

Minimum dimension 120 mm

Minimum dimension 110 mm

This package contains Lithium Metal cells or batteries.  
This package must be handled with care. A flammability hazard exists if the package is damaged.  
Special procedures must be followed if the package is damaged, to include inspection and repacking if necessary before shipment continues.  
If the battery or cell is damaged, the package must be repacked and returned to the shipper via ground transport.  
Damaged lithium batteries and cells are forbidden for transport by air in accordance with IATA Special Provision A154.  
Telephone number for additional information: Phone# 972-590-0903

Please remove entire top portion above this and attach it directly to the package with CLEAR packing tape.

Please PRINT IN COLOR (or the label will be invalid).

Please print at 100% to meet the minimum dimensions.

Please make sure to include your RMA # on the outside of your package as well.
