

## German to go

Learn German for free with DW

# The fun way to learn German

You decide what's the best way to learn German with DW. Take your pick – maybe a websoap or a challenging online course? Podcasts, audio or video content? Or just get back to basics with written exercises and worksheets. Learn German for free – anytime and anywhere. Our wide-range of courses will take your German to the next level.

And because learning alone isn't that much fun, you can always find people who share your enthusiasm for the German language in our online community.

## Quick start

In this section, we offer you a quick and easy way to find out which of our courses is best suited to your language skills. Go to [dw.com/learngerman/quickstart](https://www.dw.com/learngerman/quickstart) to begin.

Our **Course Finder** shows you all of the courses we have to offer. You can find out which courses are offered in your native language, what level of proficiency you will need for each course and whether it is audio, video or e-learning material. [dw.com/learngerman/coursefinder](https://www.dw.com/learngerman/coursefinder)

Use our **Placement Test** to find out how good your German is already. You will be tested on grammar, vocabulary, reading and listening comprehension. Test results will show your level of comprehension with regards to the Common European Framework of Reference and suggest which courses would best suit you. [dw.com/learngerman/placementtest](https://www.dw.com/learngerman/placementtest)

Why not get started right away?

It's easy to get going – there is something for every skill level:

### A1 Getting started

Learn simple sayings and sentences and how to describe things like where you live and what you like to do.

### A2 Conveying simple information

You can convey ideas about simple topics and describe your wants and needs – like when shopping.

### B1 Ready for everyday life

You can deal with most situations when traveling in Germany. You can talk about experiences and events and clarify your point of view.

### B2 Convincing in conversation

You can speak spontaneously and fluently. You can follow entire discussions with native speakers and read articles and documents. You can present your opinions on abstract ideas.

### C1 Routine communication

You speak German with confidence and flexibility in your free time, at school or on the job. You understand long, challenging articles and documents without any difficulty.

### C2 Easy to cope with challenges

You understand everything that you read and hear. You express yourself spontaneously and fluently and you can present information comprehensively.

## Community D

Learn German with DW's online community

You can contact us directly through **Facebook**: On our fan page, you can ask experienced German students questions or help beginners with tricky problems. We regularly update our Facebook page with news, vocabulary, brain teasers and competitions. Above all, you'll find like-minded people who share the same interest in learning German. [facebook.com/dw.learngerman](https://www.facebook.com/dw.learngerman)

## Jojo sucht das Glück

The websoap for learning German

Join Jojo as she searches for success, love and happiness! Season three of the successful series is packed with new adventures for this young Brazilian woman in Cologne – and this time around, Jojo’s mental and physical resolve will be put to the test. She is trying to get ahead at her agency and runs into trouble, she helps a friend who is struggling and also meets an old love – which really turns her life upside down.

With **Jojo sucht das Glück**, you will learn German from a different perspective. Three seasons consisting of 33 episodes each in combination with language exercises provide a fun and easy way to improve your German skills. Who would have thought that German could also be the language of love?

## Das Deutschlandlabor

A journey of discovery across Germany!

Do Germans eat sausage every day? Does every German own an expensive car? What is the relationship between Germans and fashion? Does everything in Germany really function perfectly and is there poverty in the country?

Nina and David, hosts of the video series **Deutschlandlabor**, are travelling across Germany and meeting people along the way who are helping them find answers to these questions. Everyone from ordinary people on the street to qualified experts provide surprising insights. In 20 episodes, the series explores different facets of life in Germany and showcases the diversity of German society.

The series is a cooperation between DW and the Goethe Institut with support from the German Foreign Ministry.

## UNTERRICHTEN

[dw.com/deutschunterrichten](http://dw.com/deutschunterrichten)

Are you a German teacher in need of stimulating lesson plans? Then you've come to the right place. All of DW's German courses can be easily adapted for use in the classroom. Extra materials like vocabulary lists and radio show transcripts can help instructors teach with DW material.

We offer fully-prepared lesson plans for teachers that compliment our **Top- and Video-Themen**, which are perfect for improving listening comprehension. Lesson plans also include comprehensive teaching units covering German culture complete with exercises. And teachers can make learning German more fun by using our lighthearted online soap opera, *Jojo sucht das Glück*.

ich geh - e  
du geh - st  
er, sie, es geh - t

We also provide strategies for success in the classroom such as workshops and presentations on a variety of subjects. We offer a range of unique learning tools including multimedia lessons, how to apply social media to studying language and learning German with music.

Our **Deutschlehrer-Info** section is updated every week and contains interesting information on the German language and effective strategies for teaching.

We ensure that everyone – from beginners to professionals – will be able to find a course to meet their needs. DW German courses are available in 30 languages and differing skill levels.

Make use of our international media experience. We have been a reliable source of information for more than 60 years and a recognized expert in the areas of language, life and culture. We offer you the perfect mix of information and learning – something that our editors have created with you in mind.
