

NOTIFICATION TO THE PARTIES

No. 2016/064

Geneva, 6 December 2016

CONCERNING:

New CITES Appendices in effect after
the 17th meeting of the Conference of the Parties

1. The Conference of the Parties, at its 17th meeting, held in Johannesburg, South Africa, from 24 September to 4 October 2016, adopted amendments to Appendices I and II of the Convention. These amendments were notified to the Parties with Notification No. 2016/063 of 29 November 2016.
2. The new Appendices revised to reflect those amendments, as well as the changes resulting from the adoption of new standard nomenclature references, are now available as an Annex to this Notification. They can also be viewed on the CITES website at:

<http://www.cites.org/eng/app/2017/E-Appendices-2017-01-02.pdf>

This new version of the Appendices also contains amendments to Appendix III resulting from the inclusion of some of these species in Appendix II and from the inclusions of additional species in Appendix III that were communicated to the Parties with Notification No. 2016/056 of 5 October 2016.

3. An HTML version of the new Appendices will be posted on the CITES website on 2 January 2017, when they come into effect.
