

This **CATHOLICISM Topical Index** can be used to find content on a particular religious subject within the ten episodes of **CATHOLICISM**. Teachers or catechists can use the index to find clips to supplement or enrich their curriculum. Anyone who has the DVD series can use it to find specific footage about a wide variety of topics.

Each episode is broken down into tracked chapters, and the **Topical Index** lists both the episode and chapter where each individual topic can be found.

The Topical Index **Key Terms** are listed in the left-hand column. The episode numbers are listed across the top of each sheet in color-coded boxes. The numbers listed in the color-coded boxes below the episode number correspond to the chapter(s) where footage on the topic can be found. (Color-coding is provided for easier reading.)
