Tagging is a way of bringing

reflections and resources

from across the internet -

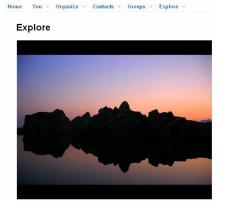

organised around a shared

together content, photos,

keyword or topic.

Post useful online resources. links to your organisations, and other useful websites to http://del.icio.us

> Using a different tool for sharing online? E-mail tim@practicalparticipation.co.uk or text 07834 856 303 with details and we'll try to aggregate it....
