

KITSCH

BAR ASIA

A modest place to rest, the look and feel is as diverse as the flavour. There are moments where Kitsch connects with that of the humble night markets - ablaze with bare bulbs, a flurry of chit chat, open flames and the sizzle of the stalls.

Whether your group is large or small, we've got the space and the menu to suit.

We can seat up to 14 in a semi private space or up to 20 in our alfresco dining.

Kitsch Bar Asia is available for exclusive use on Sunday & Monday.

Packages start from \$55pp
